Dear Ms. Arrington:

Re: Raid Formula 5 Flying Insect Killer
EPA Reg. No. 4822-284
Notification of minor label changes per PRN 98-10

S.C. Johnson & Son, Inc. (SCJ) hereby notifies the U.S. Environmental Protection Agency of minor label changes to the subject product master label. 1) Changed to "Other" ingredients, 2) Changed the label statement to remove mention of a specified amount and instead list "contains sodium nitrite" as is required and referenced in the Label Review Manual, Ch. 5, VII, C. 3) Inserted "min." 0.400% ... and "max." 0.100% in the footnote which allows for the variation associated with our alternate sources of AI 4) Improve the storage statement by enhancing clarity to consumers with designation of a "cool, dry place", 5) Modified the consumer access phone number (removed the leading 1-) within the disposal section to read 800-529-3394. This is done to be consistent with the format of the other consumer access phone number located by our company name and address. 6) Added our internet address, and 7) Added "Sold by:". These changes are consistent with and meet the criteria of PR Notice 98-10, sections IV.F.8, II.N.other, II.G, and IV.F.7 (respectively), some are even considered non-notifications and we thought it convenient to also include those at this time. No other changes have been made.

To facilitate your review we have enclosed the following:

- A completed Application for Pesticide Registration form 8570-1
- Three (3) copies of the label with changes clearly marked in **bold italics**

I can be reached by telephone at (262) 260-4722 if you have any questions or require further information regarding this notification. Thank you for your attention to this matter.

Best Regards,

Maren E. Grow
