8 | 17

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit a Product Chemistry/Data Matrix for this product.
2. On the Confidential Statement of Formula (CSF) please submit the following:
 - a. pH (may be provided for concentrate without the propellant).
 - b. Supplier of the propellant.
3. Delete the 1.00% value at the end of the label ingredient statement. This appears to be added in error.

Add the phrase "EPA Registration No. 4822-286" to your label before you release the product for shipment.

Submit five (5) copies of your final printed labeling, before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

RAID
FORMULA 6
FLYING INSECT KILLER

Log # 4822-280
PM 17
A 2084

TO SPRAY, remove tamper proof tab on front of spray cap

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Shake before using! Point spray nozzle away from face and press button, holding container as upright as possible.

TO KILL FLYING INSECTS:

Flies, mosquitoes, small flying moths, gnats: With RAID there is no need to spray directly at flying insects -- the mist in the air will kill them. Close all doors and windows. Spray RAID up into the air with a sweeping motion, keeping about 3 feet from interior walls, fabrics, furniture, until room is filled with mist. Keep room closed for 15 minutes.

Wasps: Spray directly at stray wasps that enter building.

TO KILL CRAWLING INSECTS:

Roaches, waterbugs, silverfish, crickets: Spray hiding places such as baseboards and floor boards, moist places, openings around skins, drains and pipes, behind bookcases, cabinets and other storage areas, hitting as many insects as possible. Repeat as necessary.

Ants: Spray trails, hills, around window frames and openings around pipes and baseboards where ants crawl, hitting as many as possible. Repeat as necessary.

Spiders, centipedes, sow bugs: Spray webs and places where these pests crawl. Hit as many as possible. Repeat as necessary.

Carpet Beetles: Hit these bugs directly with spray on sections of floor baseboards, shelves and underside of carpets. Repeat at frequent intervals.

Bedbugs: Spray baseboards, moldings, floor board. Spray mattresses, particularly around seams and tufts. Take beds apart and spray into all joints. Repeat spraying at frequent intervals.

Fleas: Spray floors, floor coverings and sleeping quarters of pets. Repeat spraying as often as necessary.

Reg # 4822-1

STORAGE AND DISPOSAL STATEMENTS

STORAGE: Store in an area inaccessible to children.
DISPOSAL: Wrap container and discard in trash. Do not puncture or incinerate. Do not reuse empty container.

PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Keep out of reach of children. Do not remain in enclosed areas after use. Ventilate enclosed areas before returning. Avoid contamination of food and food stuffs. Remove pets, birds and cover fish aquariums before spraying.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate containers. Exposure to temperatures above 20 F. may cause bursting.
