NAME OF PESTICIDE PRODUCT

Raid Flea Killer IV Plus

NOTICE OF PESTICIDE: REGISTRATION
 REREГИSTRATION

(Under The Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Johnson & Son, Inc.
Howe Street
Milwaukee, WI 53403

Any labeling formula differing in substance from that accepted in connection with this registration must be accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this matter refer to the above U.S. EPA registration number.

Information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

The labeling accepted in connection with this Registration/Reregistration is returned herewith.

This registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(d)(7)(A) provided that you:

1. Submit/cede all data required for registration/reregistration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 4822-292" to your label before you release the product for shipment.
3. Submit a revised Confidential Statement of Formula showing that the product has a flashpoint of 100 °F with no flame extension as indicated in your chemistry data.
4. Submit a domestic animal safety study for this product as formulated. This data must be submitted within 1 year of the date of this Registration Notice.
5. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-75 enclosure for a further description of final printed labeling.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

- Clean pleasant odor
- Kills fleas on dogs and cats
- Contains Cykil to prevent the development of pre-adult fleas into biting adult fleas
- Prevents hatching eggs from becoming full grown fleas for 120 days

FOR USE IN THE HOME:

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

SHAKE BEFORE USE. Hold container upright. Point valve away from face and press button.

FOR USE INDOORS: To kill fleas and ticks hold can 2-3 feet from surfaces to be treated. Be sure to apply thoroughly and uniformly using a sweeping motion, to rugs, carpets, drapes and all surfaces of upholstered furniture. 1) If used on light or delicate fabric, test in an inconspicuous place prior to use. Avoid wetting furniture and carpets. 2) Treat under and around furniture if pets frequently rest in these areas. Repeat as necessary. 3) Use Raid Flea Killer Plus in conjunction with Raid Fogger for particularly heavy flea infestations and for a complete flea control program.

FOR USE IN PET AREA: Treat pet bedding and other pet resting areas as these are primary hiding areas for fleas and ticks. No need to remove pet bedding after treatment. Follow directions as for other indoor areas. For best results pets should be treated before they return to the treated area.

FOR USE ON CATS AND DOGS: To control fleas on cats and dogs, hold can upright, 10-12 inches from pet. Starting at the tail stroke against the lay of the hair spraying the parted fur directly behind the hand to insure penetrating the coat. Spray to slightly dampen all areas of the fur. Avoid spraying the animals head. Do not treat puppies or kittens under 6 weeks old.

RAID FLEA KILLER PLUS

TO KILL: Roaches, waterbugs, silverfish, crickets, spray hiding places such as baseboards, pipes, behind bookcases, cabinets, and other storage areas hitting as many insects as possible. Repeat as necessary.

TO KILL: Ants, centipedes, spiders, sowbugs, carpet beetles, apply directly to as many as possible.

STORAGE: Store in a cool, dry area inaccessible to children.

DISPOSAL: Do not reuse container. Wrap container and discard in trash.

PRECAUTIONARY STATEMENT

Hazards to Humans and Domestic Animals

CAUTION: Avoid contact with skin and eyes. In case of contact immediately flush eyes and skin with plenty of water. Get medical attention if irritation persists. Do not remain in enclosed areas after use. Wash hands after treating pets. Avoid contamination of food and foodstuffs. Remove pets, birds and cover and turn off fish aquariums before spraying.

PHYSICAL AND CHEMICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120° F may cause bursting.
