

4822-293 8.9.2010

1/10

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Antimicrobials Division (7510C)
1200 Pennsylvania Avenue NW
Washington, D.C. 20460

EPA Reg. Number:

4822-293

Date of Issuance

AUG 9 2010

Term of Issuance:

Conditional

Name of Pesticide

Product:

Johnson Wax Glade Air Sanitizer and Deodorizer

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

S.C. Johnson & Son, Inc.
1525 Howe Street
Racine, WI 53403-2236

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Triethylene Glycol RED, the EPA has reregistered this product subject to the comments recorded in the succeeding paragraph. This action is taken under the authority of section 4(g) (2) of the Federal Insecticide, Fungicide and Rodenticide Acts, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. The EPA may require submission of data at any time to maintain the registration of the subject product.

1. Make the following label changes:

a. Revise the EPA Registration Number to read "4822-293."

Signature of Approving Official:

Marshall Swindell
Product Manager Team-33
Regulatory Management Branch I
Antimicrobials Division (7510P)

Date:

AUG 9 2010

- b. As per the acute toxicity review, add a statement that includes the following telephone number, 1800-558-5252, as the contact number for emergency medical treatment information.
- c. As per the acute toxicity review, revise the Hazards to Humans and Domestic Animals to read as follows:

“CAUTION” Causes moderate eye irritation. Avoid contact with eyes or clothing.”

- c. Add the following text to the “User Safety Recommendations to read as follows:

User Safety Recommendations

“User should wash hands before, eating, drinking, chewing gum, using tobacco, or using the toilet.

“User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.”

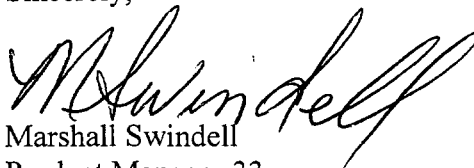

“Users should remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.”

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec.6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Submit two (2) copies of the revised labeling bearing the labeling revisions listed above. A stamped copy of the label is enclosed for your records.

If you have questions concerning this matter, please contact me at (703) 308-6341 or by email at swindell.marshall@epa.gov or Karen M. Leavy at (703)308-6237 or by email at leavy.karen @epa.gov.

Sincerely,

Marshall Swindell
 Product Manager 33

NET CONTENTS: 3 to 20 oz

DIRECTIONS FOR USE

It is a violation of the Federal law to use this product in a manner inconsistent with its labeling.

odor-causing

TO TEMPORARILY REDUCE AIRBORNE BACTERIA and eliminate odors in an average room [12' x 12' x 9'], close all doors, windows and air vents and spray product upward in center of room for 10 seconds.

For maximum effectiveness relative humidity should be between 45% and 70%. Resume normal room ventilation after spray has settled.

Storage and Disposal Statements

STORAGE: *Store in a cool, dry place away from fire, sparks, and heated surfaces.*

DISPOSAL: This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. [DO NOT PUNCTURE!] If recycling is not available, wrap the container and discard in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION:

Avoid contact with food and food utensils. Avoid contact with eyes.

Before using product throughout your home, use in one room and wait 24 hours to ensure that no one has any physical reactions to the product.

Asthma and Allergy Sufferers:

Consult your physician before using this product in your home.

Before spraying, remove birds. After use, ventilate normally prior to returning birds to treated area.

FIRST AID: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

10/
10

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL/CHEMICAL HAZARDS: EXTREMELY FLAMMABLE! Keep away from fire, sparks and heated surfaces. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 120° F may cause bursting.

ATTENTION: Use only as directed. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal. Help stop inhalation abuse. For more information, visit "<http://www.inhalant.org/>".
