

Pyrethrin Extract 20%

For Manufacturing Purposes Only
Not for Resale Under this Label

Active Ingredient

Pyrethrins.....20%

Inert Ingredients.....80%

Contains Petroleum Distillates

Keep Out of Reach of Children
Caution

Precautionary Statements

Hazards to Humans and Domestic Animals
Avoid contamination of food and foodstuffs.

First Aid

If Swallowed: **Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.**

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Environmental Hazards

This product is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollution Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

Storage and Disposal

Storage: Keep container tightly sealed. Store in-doors in an upright position and in a cool dry place. If leaking, transfer contents into another suitable container. Avoid contamination with other chemicals. Spillage should be washed off with a 5% sodium hydroxide solution then rinsed with water. Avoid contact with skin.

Pesticide Disposal: Pesticides, spray mixture, or rinse water that cannot be used according to label instructions must be disposed of according to applicable Federal, State, Province, or local procedures. DO NOT contaminate water, food or feed by storage or disposal.

Container Disposal: Triple rinse (or equivalent) then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State or local authorities.

The seller guarantees the ingredients as stated.
