RAID ANT & ROACH KILLER 6
Lighter Scent

IMPROVED FASTER KILLING RAID ANT & ROACH rids your home of roaches in two ways: (1) it kills bugs fast-on contact and (2) it keeps on killing with residual action even after you spray, for up to 4 weeks or (30 days or 1 month). Contact kill gives you immediate results when spraying individual roaches. Residual kill keeps on killing the roaches that return to the areas you have sprayed.
