NAME OF PESTICIDE PRODUCT <b>S.C. JOHNSON WAX          TOILET DUCK</b>		

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

**S.C. Johnson & Son, Inc.**  
**1525 Howe Street**  
**Racine, WI 53403**

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
  - a. Add the phrase "EPA Registration No. 4822-370".
  - b. Includes instructions to remove gross filth or heavy soil prior to application of the product.
  - c. Delete the phrase: "Natural"
  - d. Delete the claim: sanitizes.

Note: Only disinfectant data was submitted. No sanitizing data was submitted for our review.

### New! Toilet Duck

**Thick Liquid Toilet Bowl Cleaner and Disinfectant.** Contains no phosphates (Phosphate Free). Non-acid formula. Disinfects and Deodorizes. Kills household germs including staph. in bathroom bowl. Kills odor causing bacteria. Removes rust and mineral deposits. Removes hard water stains. Resists hard water build-up. Removes lime deposits. Has no fumes or noxious odors. Bleaches away stains. Leaves no streaks. Whitens bowl. Removes tough, stubborn stains. Penetrates, breaks-up and dissolves stains. Removes bowl ring build-up. Freshens toilet bowl. Leaves a Clean Fresh (Lemon Fresh) (Spring Fresh) (Pine Fresh) (Potpourri-Country Garden) (Powder Fresh) (Citrus Fresh) (Fresh N' Natural) (Country Fresh) Scent. Will not harm plumbing or septic tanks. Safe on white and colored bowls. Repels dirt. Absorbs odors. Resists build-up. Cleans off water spots. Disinfects the toilet bowl. Leaves surfaces nice and shiny. Is non-caustic. Dissolves stains. Does not scratch surfaces. Cleans under the rim. Cleans the entire bowl. Gets the product under the rim. Coats above and below the water line. Clings to surfaces. Leaves the whole bathroom smelling fresh and clean. Thick, heavy duty liquid. Cleans and deodorizes. Liquid disinfectant toilet bowl cleaner. Combination of cleaning and freshening. Is not hard to rinse. Leaves the toilet bowl sparkling clean. Does not damage porcelain. Leaves toilet bowl disinfected. [REDACTED] the toilet bowl. Preferred angle neck. Freshens while it cleans. Cleans and freshens. Easy open cap.

New Toilet Duck bowl cleaner makes cleaning easier. It's unique patented duck neck applicator lets you reach under the rim. You can't kill the bacteria that you don't reach. Then, Toilet Duck's thick formula clings to coat the whole bowl to remove even the most stubborn, grungiest stains. Toilet Duck leaves the bowl disinfected and the whole bathroom smelling fresh and clean. Unlike other toilet bowl bottles, Toilet Duck traps the liquid in its unique patented duck neck allowing you to clean up under the rim even when bottle is nearly empty. Refillable bottle.

Toilet Duck is recommended for use in schools and colleges, veterinary clinics, animal life science laboratories, hotels and households.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

1. To open, pull top portion of cap up.
2. Tilt bottle forward and fill the neck. Specially designed duck neck applicator allows you to apply under the rim, even when the bottle is almost empty. Hold bottle with opening directly under the rim and squeeze to direct 4 ounces (or three neck fills) of product. Apply evenly all around bowl and scrub including under the rim.
3. Let stand for 10 minutes.
4. Brush and flush clean.
5. Close cap after use.

**NOTE:** Do not use in combination with other household chemicals.
