Ms. Kelly Rahn  
S.C. Johnson & Son, Inc.  
1525 Howe Street  
Racine, WI 53403

OCT - 9 2002

Subject: S.C. Johnson Wax Toilet Duck  
EPA Registration No. 4822-370  
Amendment Date: July 12, 2002  
EPA Receipt Date: July 15, 2002

Dear Ms. Rahn,

The following amendment submitted in connection with registration under FIFRA, as amended, is acceptable with the conditions listed below.

- Update the First Aid Statements per PR Notice 2001-1

**Conditions**

According to the Agency letter dated May 16, 2000, the phrase, "For use only with S. C. Johnson Wax Toilet Duck," was to be added to the Refill section of the directions. Instead of placing this phrase in the Refill section, you may place it under "NOTE." If you place the phrase under "NOTE," it should state "Only Use S.C. Johnson Wax Toilet Duck Refill Packs to Refill Container."

**General Comments**

A stamped copy of the labeling accepted with conditions is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling. If you have any questions regarding this letter, please contact Jacqueline McFarlane at (703) 308-6416.

Sincerely,

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act as  
amended, for the pesticide,  
registered under EPA Reg. No. 4822-370

Toilet Duck bowl cleaner makes cleaning easier. The unique patented duck neck applicator lets you reach under the rim. You can't kill the bacteria that you can't reach. The thick Toilet Duck formula clings to coat the whole bowl to remove even the most stubborn, grungy stains. Clean Fresh (Lemon Fresh) (Spring Fresh) (Pine Fresh) (Potpourri - Country Garden) (Powder Fresh) (Citrus Fresh) (Country Fresh) scent Toilet Duck leaves the bowl disinfected and the whole bathroom smelling fresh and clean. Unlike other toilet bowl bottles, Toilet Duck traps the liquid in its unique patented duck neck allowing you to clean up under the rim even when the bottle is nearly empty. Refillable bottle.

Toilet Duck is recommended for use in schools and colleges, veterinary clinics, animal life sciences laboratories, hotels and households.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Prior to application of this product, remove gross filth and heavy soils from toilet bowl.

To clean and deodorize:

1. To open, pull top portion of cap up.
2. Tilt bottle forward and fill the neck. Specially designed duck neck applicator allows you to apply under the rim, even when the bottle is almost empty. Hold bottle with opening directly under the rim and squeeze to direct 4 ounces (or three neck fills) of product. Apply evenly all around bowl and scrub the entire surface including under the rim.
3. Brush and flush clean.
4. Close cap after use.

To disinfect:

1. To open, pull top portion of cap up.
2. Tilt bottle forward and fill the neck. Specially designed duck neck applicator allows you to apply under the rim, even when the bottle is almost empty. Hold bottle with opening directly under the rim and squeeze to direct 4 ounces (or three neck fills) of product. Apply evenly all around bowl and scrub the entire surface including under the rim.
3. Let stand for 10 minutes.
4. Brush and flush clean.

5. Close cap after use.

To use the refill pack

1. Remove cap from empty Toilet Duck bottle.
2. Remove cap from refill.
3. Place empty Toilet Duck bottle over opening of refill.
4. Return Toilet Duck bottle to its upright position. Continue filling until Toilet Duck is full. Replace cap.
5. If liquid remains in refill bottle, replace cap. Store for future use.

NOTE: Do not use in combination with other household chemicals.

**PRECAUTIONARY STATEMENTS**

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

FIRST AID	
If in eyes	- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. - Call a poison control center or doctor for treatment advice.
If on skin or clothing:	- Take off contaminated clothing. - Rinse skin immediately with plenty of water for 15 – 20 minutes. - Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	

**STORAGE AND DISPOSAL:**

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in a cool, dry area inaccessible to children.

DISPOSAL: Do not reuse empty container except when using refill pack Toilet Duck. To discard empty container wrap container and put in trash.
