(OFF! Skintastic II) (This product) is a unique disappearing (purple) (color) insect repellent formulated to let you see where you've applied the product.) (You can feel confident that you've completely protected yourself and your family with no more missed spots!) (It makes the job of application and coverage easier for parents and fun for kids.) (Just apply evenly and rub it in until the color disappears, leaving behind only effective protection.) (The color is approved for use on skin and (can be cleaned from clothes) (is non-staining).) (Keeping insects away never (felt) (or) (looked) so good.)

(OFF! Skintastic II) (unscented) (fragrance free) (This product) is (a (pleasant smelling) (lotion) (specially) formulated to repel mosquitoes, biting flies, ticks (including ticks that cause Lyme Disease), gnats, no-see-ums and fleas for up to two hours.) (OFF! Skintastic II also moisturizes your skin.) (It contains aloe vera to leave skin feeling smooth and natural, never sticky or greasy.) (Keeping insects away never (felt) (or) (looked) so good.)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read all directions before using this product.** Shake before use.

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck and rub on. Do not apply to eyes and mouth and do not apply to hands of young children. Use just enough repellent to cover exposed skin. Avoid overexposure. Frequent reapplication and saturation are unnecessary. Do not keep product on any longer than necessary. After returning indoors, wash treated skin with soap and water. Do not apply under clothing.

Do not apply on or near: acetate, rayon, spandex, dynel fabrics or other synthetics (other than nylon), furniture, plastics, leather, watch crystals and painted or varnished surfaces including automobiles.

PRECAUTIONARY STATEMENTS

Hazards to Humans - Warning: Harmful if swallowed. May cause eye injury. Use sparingly on small children. Do not allow use by small children without close adult supervision. Do not apply to excessively sunburned or damaged skin. May cause skin reaction in rare cases.

(Note to reviewer: Boxed format or bullets may be used in the First Aid section if label space permits)

FIRST AID

Have the product label with you when calling a poison control center or doctor, or going for treatment. IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

SKIN: If you or your child react to this product, wash treated skin and call a poison control center or doctor for treatment advice.

STORAGE: Store away from heat or flame in an area inaccessible to children.

DISPOSAL: Before disposing, empty container by using the product according to the label. Do not reuse this container. Place in trash or offer for recycling if available.

If partially filled: Call your local solid waste agency or 1-800-558-5252 for disposal instructions. Never place unused product down any indoor or outdoor drain.
