Harmful if swallowed. To apply to face, spray palm of hand and rub on. Do not apply to excessively sunburned or damaged skin. Use sparingly on small children. Do not allow use by small children without close adult supervision. ***May cause skin reaction in rare cases.***

ACCEPTED

APR 11 2002

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the product registered under EPA Reg. No. 4822-380

(Note to reviewer: Boxed format or bullets may be used in First aid section if label space permits)

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Skin: If you or your child react to this product, wash treated skin and call a poison control center or doctor for treatment advice.

PHYSICAL & CHEMICAL HAZARDS: FLAMMABLE- Contents under pressure. Do not use near heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120° F may cause bursting. Keep treated surfaces away from fire or flame until dry.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read all directions before using this product.**

Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. Do not use as a space spray. Use just enough repellent to cover exposed skin. Avoid overexposure. Frequent reapplication and saturation are unnecessary. **FOR MAXIMUM PROTECTION**, spread evenly with hand to moisten all exposed skin. **TO APPLY TO FACE:** Spray palm of hand and rub on. Do not apply to eyes and mouth and do not apply to the hands of young children.

WORKS ON CLOTHING TOO: Spray shirts, pants, socks, and hats. For ticks and chiggers also spray cuffs, socks and around other openings in outer clothing. Do not apply under clothing. Will not damage cotton, wool, or nylon. Do not apply on or near: acetate, rayon, spandex or other synthetics (other than nylon), furniture, plastics, watch crystals, leather and painted or varnished surfaces including automobiles. Wash treated clothing. Do not keep product on any longer than necessary. After returning indoors, wash treated skin with soap and water.

STORAGE AND DISPOSAL

STORAGE: Store away from heat or flame in an area inaccessible to children.

DISPOSAL:

Do not puncture or incinerate!

If empty: This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the container by using the product according to the label. If recycling is not available, place in trash.

If partially filled: Call your local solid waste agency or 1-800-558-5252 for disposal instructions.

(Note to reviewer: The STEEL recycle symbol might be used on final printed label if space allows.)
