Re: *Unscented OFF! Insect Repellent*
EPA Reg. No. 4822-380
Notification of Change in Phone Number and to Modify Ingredients Statement to Substitute
Common Name for Chemical Name

Dear Ms. Edwards:

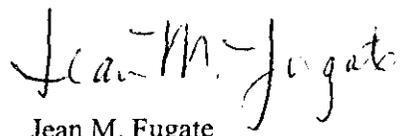

S.C. Johnson & Son, Inc. recently realized that the telephone number in the Disposal section of our registered labels needs to be corrected from 1-800-558-5252 to 1-800-529-3394. Stuart McArthur of SCJ contacted each of the PM teams involved in our various company registrations, Anne Sibold of PM 10, Linda DeLouise of PM 15, Tom Harris, and Jim Downing of BPPD to discuss how this might be accomplished procedurally, and each advised that this correction should be handled via notification. By means of this letter, we wish to officially notify the Agency of this minor change to the subject product label.

In a letter dated September 27, 2002 (see attached), Marion Johnson announced that in an effort to improve consumer awareness, DEET registrants would be allowed to permanently amend their labels via notification by utilizing the common name for DEET in place of the lengthier chemical name. SCJ wishes to take advantage of this opportunity and has revised the attached label accordingly.

To facilitate these changes we have enclosed a fully executed Application for Pesticide Registration and two copies of the revised labeling. For your convenience all revisions have been marked in ***bold Italics***.

Thank you for your assistance with this matter. Should you have any questions regarding this submission or require anything additional please feel free to contact me at (262) 260-2871.

Regards,

Jean M. Fugate
Registration Specialist

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS - WARNING: May cause eye injury. Do not get into eyes or on lips. Harmful if swallowed. To apply to face, spray palm of hand and rub on. Do not apply to excessively sunburned or damaged skin. Use sparingly on small children. Do not allow use by small children without close adult supervision. May cause skin reaction in rare cases.

(Note to reviewer: Boxed format or bullets may be used in First aid section if label space permits)

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Skin: If you or your child react to this product, wash treated skin and call a poison control center or doctor for treatment advice.

PHYSICAL & CHEMICAL HAZARDS – FLAMMABLE: Contents under pressure. Do not use near heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120° F may cause bursting. Keep treated surfaces away from fire or flame until dry.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read all directions before using this product.**

Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. Do not use as a space spray. Use just enough repellent to cover exposed skin. Avoid overexposure. Frequent reapplication and saturation are unnecessary. **FOR MAXIMUM PROTECTION:** Spread evenly with hand to moisten all exposed skin. **TO APPLY TO FACE:** Spray palm of hand and rub on. Do not apply to eyes and mouth and do not apply to the hands of young children.

WORKS ON CLOTHING TOO: Spray shirts, pants, socks, and hats. For ticks and chiggers also spray cuffs, socks and around other openings in outer clothing. Do not apply under clothing. Will not damage cotton, wool, or nylon. Do not apply on or near: acetate, rayon, spandex or other synthetics (other than nylon), furniture, plastics, watch crystals, leather and painted or varnished surfaces including automobiles. Wash treated clothing. Do not keep product on any longer than necessary. After returning indoors, wash treated skin with soap and water.

STORAGE: Store away from heat or flame in an area inaccessible to children.

DISPOSAL: Do not puncture or incinerate!

If empty: This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the container by using the product according to the label. If recycling is not available, place in trash.

If partially filled: Call your local solid waste agency or **1-800-529-3394** for disposal instructions.

(Note to reviewer: The STEEL recycle symbol might be used on final printed label if space allows.)
