This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the following labeling changes before you release the product for shipment:

- a. Add the phrase, "EPA Registration No. 4822-391."
- b. Delete the descriptive scents on the front panel. As indicated in previous correspondence we will accept specific descriptions such as pine-scented, floral scented but not vague non-specific terms that would lead the user to misconstrue the nature of the product i.e. a pesticide.
- c. Delete "rids" from the first sentence page 2. Terms which imply total eradication or elimination of pests are unacceptable.
- d. The term "Improved" can be used on labeling up to six months after registration is granted.

File: 3-31-93

- e. "For Household Use Only" should appear on the front panel.

3. Provide the chemical identity of all components, the percentage composition, CAS Registry Number, and Material Safety Data Sheet (two copies) for Fragrance #716692. The supplier may contact EPA directly referencing the EPA Registration Number in their response. Provide for each components in the mixture: the chemical name, CAS Registry Number, and the percentage or range in percentage in the mixture. The confidential information submitted by the suppliers is kept confidential under FIFRA Section 10.

4. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

NET WT. 16 OZ. (1LB.)

IMPROVED RAID ANT & ROACH rids your home of roaches in two ways: (1) it kills bugs fast-on contact and (2) it keeps on killing with residual action even after you spray, for up to 4 weeks or (30 days or 1 month). Contact kill gives you immediate results when spraying individual roaches. Residual kill keeps on killing the roaches that return to the areas you have sprayed.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR HOUSEHOLD USE: Hold container upright. Do not spray up into air. Apply to surfaces only. Point spray opening toward surface to be sprayed and press button firmly. Hold about 12" from surface being sprayed. Spray until surfaces are wet. Avoid excessive wetting of asphalt, tile, rubber and plastic materials. More frequent application will be required to maintain control on plywood surfaces. Repeat treatment as necessary.

ROACHES, WATERBUGS: Spray until wet in cracks around baseboards and other hiding places. When bugs are driven out, spray directly.

ANTS: Apply to ant trails, also around doors, windows and wherever ants enter house.

SILVERFISH, CRICKETS, SPIDERS: Spray areas infested by these pests.

STORAGE AND DISPOSAL

STORAGE: Store away from heat or open flames, in an area inaccessible to children. DISPOSAL: Replace cap, wrap in several layers of newspaper and discard in trash. Do not puncture or incinerate.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed or absorbed through the skin. Avoid breathing spray mist. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling. Provide adequate ventilation of area being treated. Do not apply to humans, pets, plants or contaminate feed, foodstuffs, dishes or utensils. Cover and avoid spraying fish aquariums. Cover or remove exposed food, dishes, utensils and food handling equipment. Keep out of reach of children.
