4822-394

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE BEFORE USING

Direct spray toward area being treated. Point nozzle away from face, other people, and animals. Hold can on slight downward angle. For best results, spray when air is calm. Allow a few minutes for product to take effect. Spray articles in the area like foliage and legs of furniture in addition to spraying air and allowing to settle. Spray from center when not breezy. Spray with wind if breeze is blowing.

SPRAY FROM CENTER WHEN NOT BREEZY (graphic)

SPRAY WITH WIND IF BREEZE IS BLOWING (graphic)

SPRAY ON FURNITURE LEGS AND FOLIAGE* (graphic)

FLYING INSECTS: Flies, mosquitoes, gnats, small flying moths, wasps and hornets. Allow fog (spray) to drift over area. Direct fog (spray) toward bushes or grass from at least 4 to 6 feet away. Give special attention to breeding areas such as garbage cans and compost piles. Repeat as necessary.

CRAWLING INSECTS: Ants, crickets, centipedes. Spray infested surface of deck, patio or picnic area, hitting as many insects as possible. Also spray legs of tables and chairs to repel ants and crawling insects. Spray ant hills for best control. *Keep 4 to 6 feet away from ornamental plants while spraying.

STORAGE AND DISPOSAL

STORAGE: Store in an area inaccessible to children.

DISPOSAL:

Do Not Puncture or Incinerate!

If empty: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the container (can) by using the product according to the label. If recycling is not available, place in trash.

If partially filled: Call your local solid waste agency or 1-800-558-552 for disposal instructions.

[For Reviewer: The Steel graphics symbol will be used if label space allows it.]

PRECAUTIONARY STATEMENTS**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

Caution: Harmful if absorbed through skin or inhaled. Avoid contact with eyes, skin, or clothing. Avoid breathing vapor. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Do not use on edible crops.

[For Reviewer: Boxed and "bulleted" format will be used if label space permits; otherwise a paragraph format will be used.]

FIRST AID:

Have the product container or label with you when calling a poison control center or doctor, or going for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not apply directly to any body of water. Do not contaminate water when disposing of equipment wastewaters.

PHYSICAL OR CHEMICAL HAZARDS

CONTENTS UNDER PRESSURE. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

CONTAINS NO CFCs OR OTHER OZONE DEPLETING SUBSTANCES. FEDERAL REGULATIONS PROHIBIT CFC PROPELLANTS IN AEROSOLS
