WASHINGTON, DC 20460

OFFICE OF  
PREVENTION, PESTICIDES, AND  
TOXIC SUBSTANCES

**NOTIFICATION**

**APR 04 2007**

Kelly K. Naujock  
Registration Specialist  
S. C. Johnson & Son, Inc.  
1525 Howe Street  
Racine, WI 53403

**SUBJECT:** Application for Pesticide Notification – Add Mosquito Fogger  
Raid Yard Guard Outdoor Fogger VII  
EPA Reg. No. 4822-394  
Application Dated February 19, 2007

Dear Mrs. Naujock:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the product above. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the actions requested fall within the scope of PRN 98-10. The label submitted with the applications has been stamped "Notification" and will be placed in our records.

If you have any questions, please me directly at 703-305-6249 or Terri Stowe of my staff at 703-305-6117.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Arrington".

<b>NOTIFICATION</b>  <b>APR 04 2007</b>	

**Explanation:** Use additional page(s) if necessary. (For Section I and Section II.)  
 Notification to add "Mosquito Fogger" to the labeling.  
 Notification of addition of "Mosquito Fogger" to the label per PR Notice 98-10.  
 This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.  
**As this is a notification, no fee is required under PRIA.**

**NOTIFICATION**

APR 04 2007

Subject: Raid Yard Guard Outdoor Fogger Formula VII  
EPA Reg. No. 4822-394  
Labeling notification per 98-10

Dear Mr. LaRocca:

Please find enclosed the paperwork necessary to add the phrase "Mosquito Fogger" to the labeling for the above-cited product via a notification. You may note that a notification for this language was made on October 28, 2004 and found to be acceptable. I am repeating this action because the 2004 notification was erroneously made using an outdated version of the product label. In addition to ensuring your records are accurate, this action is necessary for obtaining state registrations.

In addition to an Application for Pesticide Notification (form 8570-1), I have attached 3 copies of the labeling. The phrase "Mosquito Fogger" appears in bold type for ease in locating it. Outside of this addition, the labeling attached is identical to the latest stamped approved label dated September 27, 2005, to include changes made to comply with the comments in your cover letter.

**As this action is a labeling notification, there is no fee required under PRIA.**

If I can be of any assistance, please do not hesitate to contact me by phone at 262-260-2686 or by e-mail at [kknaujoc@scj.com](mailto:kknaujoc@scj.com).

Sincerely,

Ms. Kelly K. Naujock  
Registration Specialist

NET WT. 4 OZ. to 27OZ. (113g to 765g)

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Do not use on edible crops.

SHAKE BEFORE USING

(Note to EPA Reviewer: This product can also be used in conjunction with an extension arm applicator/delivery system for ease of use. The following instructions will appear on the extension arm applicator: "Inserting Can – Insert can into housing, placing "half moon" indent side of cap onto raised "half moon" shaped ledge of housing.")

6/8

<Graphic Symbol> TWIST AND SNAP OFF TAB BEFORE SPRAYING  
(NOTE: The above graphics will not appear on the label when the product is used in conjunction with the extension arm applicator/delivery system since the can will have a different type of overcap.)

Direct spray toward area being treated. Point nozzle (applicator) (extension arm) away from face, other people, and animals. Hold can (applicator)(extension arm) on slight downward angle. For best results, spray when air is calm. Allow a few minutes for product to take effect. Spray articles in the area like foliage and legs of furniture in addition to spraying air and allowing to settle. Spray from center when not breezy. Spray with wind if breeze is blowing.

SPRAY FROM CENTER WHEN NOT BREEZY <graphic>  
SPRAY WITH WIND IF BREEZE IS BLOWING <graphic>  
SPRAY ON FURNITURE LEGS AND FOLIAGE\* <graphic>

FLYING INSECTS: Flies, mosquitoes, gnats, small flying moths, wasps and hornets. Allow fog (spray) to drift over area. Direct fog (spray) toward bushes or grass from at least 4 to 6 feet away. Give special attention to breeding areas such as garbage cans and compost piles.

CRAWLING INSECTS: Ants, crickets, centipedes. Hold can two(2) to three(3) feet from surface to be treated and spray infested surfaces of patio or picnic area, hitting as many insects as possible. Spray to slightly moisten the surface. Also spray legs of tables and chairs to repel ants and crawling insects. Spray ant hills for best control.

\*Keep 4 to 6 feet away from ornamental plants while spraying.

{NOTE TO REVIEWER: The following directions will appear if this product is packaged as an outdoor fogger.}

### One-Step Fogger

Read entire label before use

### DO NOT APPLY TO PEOPLE OR PETS

Cover or remove exposed food. Avoid contamination of cooking utensils and food preparation surfaces. Do not use on edible crops. Keep away from all open flames such as grills and candles. For outdoor use only as an aid in controlling these insects.

### SHAKE WELL BEFORE USING.

1. Tilt can top and sprayer away from face(container sprays straight up).

- 2. Bend tab on side of sprayer. Press down firmly on sprayer pad until it snaps into place.
  - 3. Set can on the ground near center and slightly upwind of area to be treated and immediately leave the treated area.
  - 4. For best results, use when air is calm.
  - 5. Allow a few minutes for product to take effect.
- FLYING INSECTS: Kills mosquitoes, flies, gnats, hornets, small flying moths and yellow jackets. Allow fog to drift over area.

STORAGE AND DISPOSAL

STORAGE: Store in an area inaccessible to children.

DISPOSAL: Do Not Puncture or Incinerate! If empty: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the container (can) by using the product according to the label. If recycling is not available, place in trash. If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions.

<Steel Symbol>

[For Reviewer: The Steel graphics symbol will be used if label space allows it.]

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Caution: Harmful if absorbed through skin or inhaled. Avoid contact with eyes, skin, or clothing. Avoid breathing vapor. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing and wash clothing before reuse.

[For Reviewer: Boxed and "bulleted" format will be used if label space permits; otherwise a paragraph format will be used.]

FIRST AID:

Have the product container or label with you when calling a poison control center or doctor, or going for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5

minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and other aquatic organisms. Do not apply directly to any body of water. Do not contaminate water when disposing of equipment waste waters

**PHYSICAL OR CHEMICAL HAZARDS**

**CONTENTS UNDER PRESSURE.** Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130F may cause bursting.

**CONTAINS NO CFCs OR OTHER OZONE DEPLETING SUBSTANCES.**  
**FEDERAL REGULATIONS PROHIBIT CFC PROPELLANTS IN AEROSOLS.**  
<No CFC Symbol>
