Notification of minor label changes per PR Notice 98-10

S.C. Johnson & Son, Inc. (SCJ) hereby notifies the U.S. Environmental Protection Agency that we are making minor label changes for the subject product. These changes are consistent with and meet the requirements of PR Notice 98-10, section II,G, and IV,F,7, or doesn't require notification, but thought it convenient to also include at this time. No other changes have been made.

To facilitate your review we have enclosed the following:
