Country Fresh Scent

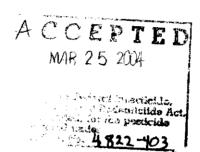

Institutional Size

Water-Based (Formula)

No Greasy Residue

Won't Stain Carpets and Floors

Fastest Killing Raid Ever

Active Ingredients:

Permethrin*	0.200%
Pyrethrins	0.200%
Piperonly Butoxide**	0.500%
Other Ingredients:	99.100%

Contains Petroleum Distillates

- * cis/trans isomer ratio: Min. 35%(+/-) Cis and Max. 65% (+/-) Trans.
- **equivalent to min. 0.80% of (butylcarbityl) (6-propylpiperonyl) ether and 0.20% related compounds

Net Wt.

KEEP OUT OF REACH OF CHILDREN

CAUTION

See additional precautionary statements on back

Improved faster killing [Product Name] kills roaches in two ways: (1) it kills bugs fast – on contact and (2) it keeps on killing with residual action even after you spray, for up to (4 weeks)(30 days)(1 month). Residual kill keeps on killing the roaches that return to the areas you have sprayed.

Shake Well

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Shake Well

FOR HOUSEHOLD USE:

Shake well before each use. Hold container upright. Do not spray up into air. Apply to surfaces only. Point spray opening toward surfaces to be sprayed, and press button firmly. Hold about 12" from surface being sprayed. Spray until surfaces are wet. Avoid excessive wetting of asphalt, tile, rubber and plastic materials. More frequent application will be required to maintain control on plywood surfaces.

ROACHES, WATERBUGS: Spray until wet in cracks around baseboards and other hiding places. When bugs are driven out, spray directly.

ANTS: Apply to ant trails, also around doors, windows and wherever ants enter house.

SILVERFISH, CRICKETS, SPIDERS: Spray areas infested by these pests.

STORAGE: Store away from heat or open flames, in an area inaccessible to children. DISPOSAL: DO NOT PUNCTURE OR INCINERATE! If Empty: This container may recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. If recycling is not available, put the container in trash. If Partially Filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed or absorbed through the skin. Avoid breathing spray mist. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling. Provide adequate ventilation of area being treated. Do not apply to humans, pets, plants or contaminate feed, foodstuffs, dishes or utensils. Cover and avoid spraying fish aquariums. Cover or remove exposed food, dishes, utensils and food handling equipment. Keep out of reach of children.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If On Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Note to Physician: Product contains petroleum distillates (aspiration hazard).

Physical/Chemical Hazards

Flammable, Contents Under Pressure.

Keep away from heat, sparks, open flame or pilot lights. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.
