Subject: Insect Repellent 1994 DJDS
EPA Registration No. 4822-417
Application dated April 13, 2000
Application dated February 20, 2004

Dear Ms. Geyer:

The proposed amendment to the registration for the product cited above under The Federal Insecticide, Fungicide And Rodenticide Act, as amended revising the label in response to the DEET RED and PR Notices 2001-1 and 2001-6 and making additional labeling changes is acceptable subject to the comments listed below:

1) Place the following statement in the First Aid section:

⌘For additional information in case of emergency call toll free(Insert phone number).⌘.

2) Add the statement, ⌘Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals.⌘, to the Precautionary Statements.

This product is not being re-registered at this time. Product specific efficacy data will be required. Once the efficacy guidelines are in place, you will be notified of the efficacy requirements.

Also, to meet the requirement of the DEET RED, the product must be packaged in containers utilizing a concave trigger to help aim the product or other comparable mechanism that will ensure that the product will not be inadvertently sprayed in the eyes.

A stamped copy of the amended label is enclosed for your records. Submit two copies of the final label before the product is released for shipment under this revised label.

The Confidential Statements Of Formula dated February 19, 2004 for the basic formula and an alternate formula are acceptable and have been placed into the file for this product.

If you have any questions or comments please contact Joseph Tavano at (703) 305-6411.

Sincerely,

Richard Gebken
Acting Product Manager 10
Insecticide Branch
Registration Division (7505C)

with COMMENTS
In EPA Letter Dated:**

APR 14 2004

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under EPA Reg No.
4822-419

[Note to reviewer: Boxed format or bullets may be used in First aid section if label space permits]

FIRST AID:

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Skin: If you suspect a reaction to this product, discontinue use, take off contaminated clothing, wash treated skin and call a poison control center or doctor for treatment advice.

PHYSICAL & CHEMICAL HAZARDS – FLAMMABLE: Do not use near heat or open flames. Keep treated surfaces away from fire, sparks, or flame until dry.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.**

Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. **Do not apply over cuts, wounds, irritated or sunburned skin. Do not spray in enclosed areas. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product.** Frequent reapplication and saturation are unnecessary. **Do not allow children to handle this product.** After returning indoors, wash treated skin with soap and water. FOR MAXIMUM PROTECTION, spread evenly with hands to moisten all exposed skin.

TO APPLY TO FACE: **Spray palm of hand first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. When using on children, apply to your own hands and then put it on the child.**

WORKS ON CLOTHING TOO: Do not use under clothing. Spray shirts, pants, socks, and hats. For chiggers also spray cuffs, socks and around other openings in outer clothing. Will not damage cotton, wool or nylon. Do not apply on or near: acetate, rayon, spandex or other synthetics (other than nylon), furniture, plastics, watch crystals, leather and painted or varnished surfaces including automobiles.

STORAGE: Store away from heat or flame in an area inaccessible to children.

DISPOSAL: **Before disposing, empty the container by using the product according to the label. Do not reuse this container. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.**
