DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. To reduce annoyance from mosquitoes, use one or more candles in still air. *Do not use indoors or in enclosed areas such as garages or porches. Place candles at least 18 inches apart. Place on a heat-resistant surface away from anything flammable and out of reach of children or pets. Keep wick trimmed to 1/2 inch or less at all times. Keep candle free of matches or other foreign matter which may present a fire hazard. Container may become hot; handle carefully. Discontinue use when 1/4 inch of wax remains. Do not blow out or use water to extinguish candle - smother flame (with a non-flammable material) to extinguish. Never leave a burning candle unattended.*

STORAGE & DISPOSAL:

STORAGE: Store in original container and in a cool, dry place.

DISPOSAL: Do not reuse empty container. Wrap original container securely in several layers of newspaper and discard in trash.

FOR OUTDOOR USE ONLY.
