**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. To reduce annoyance from mosquitoes, use one or more candles in still air. Do not use indoors or in enclosed areas such as garages or porches. Place candles at least 18 inches apart. Place on a heat-resistant surface away from anything flammable and out of reach of children or pets. Keep wick trimmed to 1/2 inch or less at all times. Keep candle free of matches or other foreign matter which may present a fire hazard. Container may become hot; handle carefully. Discontinue use when 1/4 inch of wax remains. Do not blow out or use water to extinguish candle - smother flame (with a non-flammable material) to extinguish. Never leave a burning candle unattended.

**STORAGE:** Store in original container and in a cool, dry place.

**DISPOSAL:** *Before disposing, empty container by using the product according to the label. Do not reuse this container. Place in trash or offer for recycling if available.*

**FOR OUTDOOR USE ONLY.**
