Subject: OFF! Citronella Candle
EPA Reg. No. 4822-422
Notification of compliance with the Container Rule

Dear Dr. Reilly:

Enclosed please find the paperwork necessary to comply with the Container Rule via notification. The container rule language added to this label is identical to the language in the final rule. In addition to this change we have added the phrase "Sold by" in front of our company name and we have added the heading "Storage and Disposal". The changes have been made in **bold** text. I have also included an 8570-1 which contains the required certification language from PR Notice 98-10.

Enclosed is a letter from Nancy Fitz, Field and External Affairs Division, which indicates that the standard language is appropriate for this product, as candles were not a product form specifically addressed in the final rule.

As this action is a notification, a PRIA fee is not required.

Please let me know if I can help further with this matter. I can be reached at 262-260-2686 or kknaujoc@scj.com should you need anything.

Sincerely,

Ms. Kelly K. Naujock
