OFF! Lotion Formula BY -- Complete Outdoor Protection (from biting insects and the damaging effects of the sun. OFF! Lotion Formula BY is a *(lightly scented)(pleasant)(baby powder fresh)(clean)(fresh)(smelling)* lotion specially formulated to repel mosquitoes, biting flies, ticks, gnats, no-see-ums and fleas (for up to two hours). (OFF! Lotion Formula BY)(It also moisturizes your skin (contains a sunscreen with SPF 15 to protect you (and your family) from the damaging sun). *It also contains a (waterproof) ((very) water resistant) sunscreen with SPF 15 to provide full-spectrum protection from (the damaging effects of) both UVA and UVB rays.* It contains *(moisturizing)* aloe vera to leave skin feeling smooth and natural, never sticky or greasy. Keeping insects away never felt so good.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read all directions before using this product.**

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck and rub on. Do not apply to eyes and mouth and do not apply to hands of young children. Use just enough repellent to cover exposed skin. Avoid overexposure. Frequent application and saturation are unnecessary. Do not keep product on any longer than necessary. After returning indoors, wash treated skin with soap and water. Do not apply under clothing.

Do not apply on or near: acetate, rayon, spandex, dynel fabrics or other synthetics (other than nylon), furniture, plastics, leather, watch crystals and painted or varnished surfaces including automobiles.

PRECAUTIONARY STATEMENTS

Hazards to Humans - Warning: Harmful if swallowed. May cause eye injury. Use sparingly on small children. Do not allow use by small children without close adult supervision. Do not apply to excessively sunburned or damaged skin. May cause skin reaction in rare cases.

STATEMENT OF PRACTICAL TREATMENT

If in eyes: Flush with plenty of water. If irritation persists, get medical treatment. **If swallowed:** Call a physician or poison control center. Get medical attention. If you suspect that you or your child is reacting to this product, wash treated skin and call your doctor.

STORAGE: Store away from heat or flame in an area inaccessible to children.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash.

[The following Disposal statement incorporates a recycling statement and may be used as an alternate to the disposal statement above:

DISPOSAL: Please recycle - check to see if recycling facilities exist in your area for (HDPE) plastic. Before offering for recycling, empty container by using the product according to label directions. If recycling is not available, wrap container and put in trash. Do not reuse empty container.]
