NET WT.

**NOTIFICATION**  
**MAY 27 1998**

[To appear, in all caps, at the top of the rear or side panel]

**READ ENTIRE LABEL BEFORE EACH USE.**

[To immediately follow the preceding statement, in bold and caps]

**FOR USE ONLY ON DOGS, (OR) CATS, (HORSES) (AND) (PONIES).**

SHAKE WELL BEFORE USE.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1) Shake well and invert can to dispense.

FOR FLEAS ON DOGS AND CATS

- Raid Flea Killer Plus Cat Foam V is designed to control fleas on (cats) (dogs). Foam (mousse) can be applied directly onto the pet or into the palm of your hand and then applied to cat (dog).

2) Start by brushing against natural lay of fur. Apply over the entire animal until damp. Do not apply foam (mousse) directly to face, rather apply foam (mousse) by hand around ears and under chin. Avoid contact with eyes and mucous membranes. Ensure that the foam (mousse) contacts and wets ticks thoroughly. Wash hands with soap and water after using.

For direct application: apply one-second bursts as hair is brushed back. Massage or brush hair until foam (mousse) vanishes.

For hand application: apply to palm of hand and then to animals coat, massaging foam (mousse) into the hair until foam (mousse) vanishes.

3) Allow pet to dry. Do not towel dry (this will remove some of the active ingredients.)

4) Allow foam (mousse) to dry before allowing pet (cat) (dog) to groom themselves.

**Repeat every week.**

**Do not use on dogs or cats under 12 weeks.**

**Consult a veterinarian before using this product on debilitated, aged, pregnant, nursing, or medicated animals.**

**Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.**

TO REPEL FLIES ON HORSES AND PONIES (note to EPA reviewer: this section of use directions will only be included if the product is marketed specifically for horses and ponies)

2) Brush animal to remove dirt and dust prior to application.

3) Foam can be applied into palm of your hand, clean cloth, or directly onto area to be treated then worked into hair coat. Suitable for use around ears, face, head and neck areas. Be careful to avoid animal's eyes during application. Repeat application as necessary.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: CAUTION Caused moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not puncture or incinerate container. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not apply to water.

FIRST AID: If in eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage and disposal.

STORAGE: Store in a cool area away from heat or open flame and in an area out of reach of children. Do not store below 32°F.

DISPOSAL: This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label (DO NOT PUNCTURE!) If recycling is not available, wrap container and discard in trash.
