U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:	Date of Issuance:
4822-447	MAR 31 1998
Term of Issuance:	Unconditional
Name of Pesticide Product:	
Raid Ant & Roach 17	

NOTICE OF PESTICIDE:
 X Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):
S.C. Johnson & Son, Inc.
1525 Howe Street
Racine, WI 53403

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, however, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under FIFRA section (3) (c) (2) (B).

1. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 4822-447".

b. Revise the front panel statement to read "For Household Use Only".

Signature of Approving Official:	Date:
----------------------------------	-------

c. On the front panel delete "Nothing kills faster, guaranteed", "Fastest killing bug spray ever", "Fastest killing crawling insect killer ever", "Fastest killing ant & roach spray ever", "No more chasing bugs after you spray them", "Kills even resistant roaches", "More stopping power than ever before", "More killing power than ever before", "Kills bugs almost as fast as your foot", "Kills bugs in a flash", "Strikes like lightning", "Kills faster with less spray" and "Last longer because it kills with less spray". Vague or non specific terms, words or phrases implying that a product possess unique characteristics because of its composition and/or direct or implied comparative claims are not acceptable.

d. Under Precautionary Statements you may delete "Causes eye irritation."

e. Under First Aid you may delete the If in Eyes section.

ACUTE TOXICITY REVIEW

STUDY	MRID	CATEGORY	CLASSIFICATION
Acute Oral	43818606	IV	Acceptable
Acute Dermal	43847102	IV	Acceptable
Acute Inhalation	43818604	IV	Acceptable
Eye Irritation	43847101	IV	Acceptable
Dermal Irritation	43818603	III	Acceptable
Dermal Sensitization	43818605	Non-sensitizer	Acceptable

A copy of the review is enclosed.

2. Although limited comparative efficacy data was previously submitted by the manufacturer of imiprothrin we have not received efficacy data to support the pest claims for this formulation specifically with respect to the public health pest cockroaches. Please submit this information.

3. Alternate formulations #4505A, 4508A and 4511A dated October 15, 1995 are not acceptable and have been withdrawn by you on January 30, 1998.

4. Submit three (3) copies of your final printed labeling before you release the product for shipment.

A stamped copy of the label is enclosed for your records.

in EPA Letter Dated

MAR 31 1998

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

4822-447

RAID ANT & ROACH 17

For Household Use

RAID ANT & ROACH 17 kills roaches in two ways: (1) it kills bugs fast-on contact and (2) it keeps on killing with residual action even after you spray, for up to 4 weeks (30 days) (1 month).

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR HOUSEHOLD USE: SHAKE WELL BEFORE EACH USE. Hold container upright. Do not spray up into air. Apply to surfaces only. Point spray opening toward surface to be sprayed and press button firmly. Hold about 12" from surface being sprayed. Spray until surfaces are wet. Avoid excessive wetting of asphalt, tile, rubber and plastic materials. More frequent application will be required to maintain control on plywood surfaces. Repeat treatment as necessary.

ROACHES, WATERBUGS: Spray until wet in cracks around baseboards and other hiding places. When bugs are driven out, spray directly.

ANTS: Apply to ant trails, also around doors, windows and wherever ants enter house.

SILVERFISH, CRICKETS, SPIDERS: Spray areas infested by these pests.

STORAGE: Store away from heat or open flames, in an area inaccessible to children.

DISPOSAL: Replace cap, wrap in several layers of newspaper and discard in trash.

[Per PR Notice 94-2 the following Disposal statement, or a variation which does not alter its intent, may be used:

Disposal: This container may be recycled in the few but growing number of communities where steel aerosol can recycling is available. Before offering for recycling, empty can by using the product according to the label. (DO NOT PUNCTURE!) If recycling is not available, replace cap, wrap in several layers of newspaper and discard in trash.]

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Do not apply to humans, pets, plants or contaminate feed, foodstuffs, dishes or utensils. Remove pets and birds and cover aquariums. Cover or remove exposed food, dishes, utensils and food handling equipment.

FIRST AID:

IF IN EYES: Flush with plenty of water. Call a physician if irritation persists.

IF ON SKIN: Wash with plenty of soap and water. Call a physician if irritation persists.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE, CONTENTS UNDER PRESSURE. Keep away from heat, sparks, open flame or pilot lights. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

5/5

CONTAINS NO CFCs OR OTHER OZONE DEPLETING SUBSTANCES. FEDERAL
REGULATIONS PROHIBIT CFC PROPELLANTS IN AEROSOLS
