Steve Delgado
Registration Specialist
S.C. Johnson & Son, Inc.
1525 Howe St.
Racine, WI 53403-2236

Subject: Label Amendment – Interim decision language, ABN, marketing claims
Product Name: Raid Ant & Roach 17
EPA Registration Number: 4822-447
Application Date: February 16, 2021
Case Number: 477090

Dear Steve Delgado

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Rebecca Lasko at 202-565-2469 or at lasko.rebecca@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Campbell". The signature is written in a cursive style with a large initial "S" and a long horizontal stroke.

Scott Campbell, Acting Product Manager 03

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling.

User Safety Recommendations

Users should wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

FIRST AID: Have the product container or label with you when calling a poison control center or doctor or going for treatment advice.

IF ON SKIN OR CLOTHIING: Take off contaminated clothing. Rinse skin immediately plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Contains petroleum distillate -vomiting may cause aspiration pneumonia.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE. CONTENTS UNDER PRESSURE. Keep away from heat, sparks, open flame or pilot lights. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR INDOOR HOUSEHOLD USE: SHAKE WELL BEFORE EACH USE. Hold container upright. Do not spray up into air. Apply to surfaces only. Point spray opening toward surface to be sprayed and press button firmly. Hold about 12" from surface being sprayed. Spray until surfaces are wet. Avoid excessive wetting of asphalt, tile, rubber and plastic materials. More frequent application will be required to maintain control on plywood surfaces. Repeat treatment as necessary.

RESTRICTIONS: Do not apply to humans, pets, plants or contaminate feed, foodstuffs, dishes or utensils. Cover or remove exposed food, dishes, utensils and food handling equipment. During any application to ceilings of a structure, cover surface below with plastic shielding or similar materials. Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application. Exit area immediately and remain outside the treated area until sprays have dried. Remove birds and other pets before application. Cover any water inhabited by fish (such as aquariums and ornamental fish ponds) during treatment, and turn aquarium systems off. Do not use water-based sprays in conduits, motor housing, junction boxes, switch boxes, or other electrical equipment because of possible shock hazard. Do not allow dripping or runoff to occur during any indoor surface applications. Do not use as a space spray. Use only in well-ventilated areas. Do not use in greenhouses where plants are grown for food.

Do not allow to enter indoor or outdoor drains. No permita la entrada a desagües internos o externos. Follow proper disposal procedures on this label. Siga las indicaciones a etiquetado para el desecho apropiado del producto.

[Graphic on the product package showing an image of a diagonal strikethrough over the drain. The pictogram must be legible (i.e. no smaller than 1.5 square centimeters or 0.25 square inches unless this size is greater than 10% of the size of the label.)

ROACHES, WATERBUGS: Spray until wet in cracks around baseboards and other hiding places. When bugs are driven out, spray directly.

ANTS: Apply to ant trails, also around doors, windows and wherever ants enter house.

SILVERFISH, CRICKETS, SPIDERS (Multi-colored Asian Lady Beetles) (stinkbugs) (including) (brown marmorated stink bug): Spray areas infested by these pests.

STORAGE AND DISPOSAL

STORAGE: Store away from heat or open flames, in a cool, dry area inaccessible to children.

DISPOSAL: Do not puncture or incinerate!

If empty: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the container (can) by using the product according to the label. If recycling is not available, place in trash. If partially filled: Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency or 1-800-529-3394 for disposal instructions.

[The steel recycle graphics symbol may be used if label space allows it.]

(Contains no CFCs or other ozone depleting substances. Federal Regulations prohibit CFC propellants in aerosols.)

Apply this product only as specified

Avoid spraying near baits to make sure bugs can bring the bait back to the nest

Visit [website] to identify your bug and best treatment plan

(Additional) Tips {Non-chemical Control Options} [one or more to be chosen from the following list]:

remove food spills and exposed food.

Store food in sealed containers.

Avoid leaving (accumulating)dirty dishes in sinks.

Keep food out of bedrooms and living rooms.

Avoid the use of mulch next to the foundation, which provides an ideal place for outdoor ants to nest and to gain entry into the home

Caulk any points where ants enter into wall voids, cracks and crevices, including entry points from outside or neighboring units.

Raid Defense System (Defense System)

Attack(s) Bugs*

Control(s) Bugs

Prevent(s) Bugs

Raid Defense System (Raid Guided Support) helps you work smarter, not harder, to fight bugs. Visit raidkillsbugs.com to identify your bug and best treatment plan.

Use this product to:

Attack Bugs

Kill bugs on contact (Kill the bugs you see)

*Use this product to kill (Use to kill) ants(roaches) (ants and roaches)(ants, roaches and other listed bugs) on contact. Avoid spraying near baits to make sure bugs can bring the bait back to where they hide.

Use other Raid products to:

Control Bugs

Kill bugs at the source (Kill the bugs you don't see)

† Use a Raid Ant (Raid Roach) (Raid Ant or Roach) Bait product to kill ants (roaches) (ants or roaches) where they hide. For heavy infestations, first use a Raid Fogger or Fumigator product and then place baits to provide ongoing control. Read the label to find the right product for your bug problem.

Prevent Bugs

Help keep bugs out (Keep Bugs Out)

(Optional Text)
[Note to Reviewer]

‡Use a (Raid Perimeter Protection)(other sub-name for EPA Reg. No. 4822-561) product to help keep (to

keep) ants (roaches) (ants and roaches) (ants, roaches and other listed bugs) out (of your home). Or, spray this product along baseboards, inside cracks, and behind appliances. Do not spray surfaces with more than one pest control product. Read the label to find the right product for yourbug problem.
