U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg.
Number:

4822-452

Date of Issuance:

MAY -1 1997

Term of Issuance:

Conditional

Name of Pesticide Product:

Raid Fogger K

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

S.C. Johnson & Son, Inc.
1525 Howe Street
Racine, WI 53403-2236

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 4822-452".

b. On the front panel delete "Puts you back in control of your home" and "Releases 38% less (harmful) volatile organic compounds (VOCs)."

Signature of Approving Official:

Date:

c. Replace the Statement of Practical Treatment section with "If Swallowed: Call a doctor or get medical attention. Do not induce vomiting. Do not give anything by mouth to an unconscious person. Avoid alcohol." or use "If Swallowed: Call a physician or poison control center. Do not induce vomiting. Do not give anything by mouth to an unconscious person. Avoid alcohol."

d. Following the paragraph indicating where the product can be used add "Do not use in food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed."

e. Under Precautionary Statements replace "Keep out of treated area for one (two)(three)(four)(five)(six) hour(s)." to "Keep out of treated area for four hours."

g. Following "Extinguish all flames and pilot lights" add "Call your gas utility or management company if you need assistance."

Please submit the indoor exposure study being conducted at Toxcon, Inc. when completed.

3. Submit two (2) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Enclosures

<label 4822-xxx to EPA 2/96>

Raid Fogger K

(Outdoor) Fresh Scent

No unpleasant odor

in EPA Letter Dated

MAY - 11 1997

RaidFoggerK

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

4822-452

Uses less packaging materials...(Creates) less waste
Designed for serious (heavy) bug (insect) (flea) (roach) (roach and flea) (flea and roach) problems
Specially formulated
With Cypermethrin**
Penetrating Micro Mist With Cypermethrin**

For use in apartments, homes, attics, basements, cabins, garages, household storage areas, sheds, campers. One 1.5 oz can treats up to 5000 cu. ft. (625 sq. ft) of unobstructed space (25' x 25' x 8'). Use additional foggers for remote areas or where free flow of mist is not assured. Use only one can in rooms 12'x12' or smaller. Apply this product only as specified on this label. Re-treat as needed.

ACTIVE INGREDIENT:

**Cypermethrin [cyano(3-phenoxyphenyl) methyl 3-(2,2-dichloroethenyl)-2,2-dimethyl cyclopropanecarboxylate]..... 1.716%

INERT INGREDIENTS:..... 98.284%

NET WT. 1 oz./3333 cubic feet

Contains ____ (brand name) (foggers) (units)

KEEP OUT OF REACH OF CHILDREN

CAUTION: SEE ADDITIONAL PRECAUTIONARY STATEMENTS ON BACK

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Preparation and Directions for Using Container:

1) Open cabinets, cupboards, drawers, closets and doors in areas to be treated. REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. REMOVE pets and birds, cover and turn off fish aquariums before spraying. Turn off air flow systems in aquariums. COVER waxed wood floors, waxed furniture and stereo or other plastic dust covers in the immediate area surrounding the fogger (newspapers may be used).

2) CLOSE outside doors and windows. SHUT OFF fans and air conditioners. **Extinguish all flames and pilot lights.** Do not use fogger in a cabinet or under a counter or table. Use only one can in rooms 12' X 12' or smaller.

3) Place a chair, table or stand in the center of the room to be fogged. Cover with several layers of newspaper or paper towels.

4) Break off and remove tab on side of sprayer. Tilt sprayer AWAY from face (container sprays straight up). Press down firmly on sprayer pad until it snaps into place.

5) Set fogger on covered stand. Immediately leave treated area.

6) Keep treated area closed for at least one (two) (three) (four) (five) (six) hour(s). Before reoccupying area, open all doors and windows and allow treated area to air for 30 minutes.

STORAGE & DISPOSAL

STORAGE: Store away from heat or open flames in an area inaccessible to children.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash.

[Per PR Notice 94-2 the following Disposal statement, or a variation which does not alter its intent, may be used:

DISPOSAL: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. (DO NOT PUNCTURE!) If recycling is not available, wrap the container and put in trash.]

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May be harmful if swallowed or inhaled. Avoid breathing vapors. Causes moderate eye irritation. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. May cause contact sensitization following repeated contact with the skin of some individuals. Do not remain in enclosed areas during use. Keep out of treated area for one (two) (three) (four) (five) (six) hour(s). Ventilate enclosed area for 30 minutes before reoccupying. Remove pets and birds and cover and turn off fish aquariums before spraying. All food preparation surfaces should be covered during application and thoroughly cleaned after use.

FIRST AID

If swallowed: Call a doctor or poison control center. Do not induce vomiting.

If in eyes: Flush with plenty of water. Call a physician if irritation persists.

If on skin: Wash with plenty of soap and water. Rinse thoroughly. If irritation persists or if sensitization reactions develop, contact a physician.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F. may cause bursting. When fogging DO NOT place in small enclosed areas or restricted spaces such as cabinets, closets or under tables. Use only one can in rooms 12' x 12' or smaller.

Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.

SATISFACTION GUARANTEED:

IF RAID FOGGER K does not provide effective roach and flea control, call toll-free 800-558-5252 weekdays, 9:00 a.m. to 9:00 p.m. Eastern Time, to arrange for a full refund.
