Subject: Amended Labeling - First Aid Statements
Raid Fogger K
EPA Reg. No. 4822-452
Your Submission Dated August 22, 2001

Dear Mr. McArthur:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, are acceptable, provided you make the labeling changes indicated below prior to release for shipment of the products bearing the amended labeling:

1. The retreatment statements should include a maximum frequency of application, such as, "...but not more than X times per X". Amend each retreatment statement on the label.
2. Amend information provided under DISPOSAL to comply with PR Notice 2001-6. Include the following information: "Do Not Puncture or Incinerate. IF EMPTY: Place in trash or offer for recycling if available. IF PARTIALLY FILLED: Call your local solid waste agency or [toll free number which meets criteria in paragraph II.E] or disposal instruction".

Submit two copies of your final printed labeling before you release this product for shipment. If you require any further correspondence on this matter, please contact me at (703-305-6100).

Sincerely

George T. LaRocca
Product Manager 13
Insecticide Branch
Registration Division (7505C)

4822-452: EPA stamped-accepted (5/29/98), 5/29 LaRocca letter

More powerful formula

(Powerful) (Concentrated)(Super)(Power) (Fogger)

Powerful (Extra Fine) Fog (Fogging Mist)

Works in one hour

Penetrates deep(er)

(Penetrates deep(er)) (Concentrated)(!) to kill (more) (bugs) (insects) (roaches) (and) (fleas) dead

Penetrates deep(er) to kill (more) (bugs) (insects) (roaches) (and) (fleas) where they live and breed (hide)

Penetrates into cracks and crevices to kill (roaches) (and) (fleas) (bugs) (insects) where they live and breed.

Penetrates into cracks, crevices, and carpet fibers (better)

Reaches more (bugs) (insects) (roaches) (and) (fleas), so it kills more (bugs) (insects) (roaches) (and) (fleas)

Micro Mist Seeks out (fleas) (and) (roaches) (insects) (bugs)

Seeks out (hidden) (bugs) (insects) (roaches) (and) (fleas) (where they hide)

Seeks out (roaches) (and) (fleas) (bugs) (insects)

(Raid Fogger K)(PRODUCT NAME) is specially concentrated for use against heavy (bug) (insect) (flea) (and) (roach) infestations

Relieves infestations

(Concentrated) for heavy (roach) (and) (flea) (bug) (insect) infestations

Uses less packaging materials...(Creates) less waste

Designed for serious (heavy) (bug) (insect) (flea) (and) (roach) problems

ACCEPTED
with COMMENTS
in EPA Letter Dated

OCT 25 2001

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the purpose of registration under EPA FIFRA

4822-452

Specially formulated
With Cypermethrin**
Penetrating Micro Mist With Cypermethrin**
NEW!

For use in apartments, homes, attics, basements, cabins, garages, household storage areas, sheds, campers. One 1.5 oz (2.1 oz.) can treats up to 5000 (7000) cu. ft. (625) (375) sq. ft) of unobstructed space (25' x 25' x 8') (25 x 35 x 8). Use additional foggers for remote areas or where free flow of mist is not assured. Use only one can in rooms 12'x12' or smaller. Apply this product only as specified on this label. Re-treat as needed. Do not use in food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed.

ACTIVE INGREDIENT:
**Cypermethrin..... 1.716%
OTHER INGREDIENTS:..... 98.284%

NET WT. 1.5 (2.1) oz.
Contains ____ (brand name) (foggers) (units) (3 Pack)

KEEP OUT OF REACH OF CHILDREN
CAUTION: SEE ADDITIONAL PRECAUTIONARY STATEMENTS ON BACK

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Preparation and Directions for Using Container:

1) Open cabinets, cupboards, drawers, closets and doors in areas to be treated. REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. REMOVE pets and birds, cover and turn off fish aquariums before spraying. Turn off air flow systems in aquariums. COVER waxed wood floors, waxed furniture and stereo or other plastic dust covers in the immediate area surrounding the fogger (newspapers may be used).

2) CLOSE outside doors and windows. SHUT OFF fans and air conditioners. Extinguish all flames and pilot lights. Call your gas utility or management company if you need assistance. Do not use fogger in a cabinet or under a counter or table. Use only one can in rooms 12' X 12' or smaller.

3) Place a chair, table or stand in the center of the room to be fogged. Cover with several layers of newspaper or paper towels.

4) Break off and remove tab on side of sprayer. Tilt sprayer AWAY from face (container sprays straight up). Press down firmly on sprayer pad until it snaps into place.

5) Set fogger on covered stand. Immediately leave treated area.

6) Keep treated area closed for at least four hours. Before reoccupying area, open all doors and windows and allow treated area to air for 30 minutes.

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets, or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller, instead allow fog to enter from other rooms. Turn off all ignition sources such as pilot lights (shut off gas valves), other open flames, or running electrical appliances that cycle off and on (i.e. refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

STORAGE & DISPOSAL

STORAGE: Store away from heat or open flames in an area inaccessible to children.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash.

[Per PR Notice 94-2 the following Disposal statement, or a variation which does not alter its intent, may be used:

DISPOSAL: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. (DO NOT PUNCTURE!) If recycling is not available, wrap the container and put in trash.]

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May be harmful if swallowed or inhaled. Avoid breathing vapors. Causes moderate eye irritation. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. May cause contact sensitization following repeated contact with the skin of some individuals. **Wash with soap and water after handling.** Do not remain in enclosed areas during use. Keep out of treated area for four hours. Ventilate enclosed area for 30 minutes before reoccupying. Remove pets and birds and cover and turn off fish aquariums before spraying. All food preparation surfaces should be covered during application and thoroughly cleaned after use.

First Aid:

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

[Note to Reviewer: Boxed format and "bullets" will be used if label space permits.]

PR 2001-11 Do not breathe or inhale
If empty place in trash or offer for recycling if available
If partially filled. Call your local recycling center
agency or call 1-800-4-A-POISON or 1-800-4-POISON
center in your area.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F. may cause bursting. When fogging DO NOT place in small enclosed areas or restricted spaces such as cabinets, closets or under tables. Use only one can in rooms 12' x 12' or smaller.

This product contains a highly flammable ingredient. It may cause fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully.

Highly Flammable Ingredient
Ingredients Altamente Inflamable

Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.
