UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

WASHINGTON, D.C. 20460

APR 22 2002

OFFICE OF
PREVENTION PESTICIDES
AND TOXIC SUBSTANCES

Mr. Stuart McArthur
S.C. Johnson & Son, Inc.
1525 Howe St.
Racine, WI 53403

Subject: Amendment Updating Disposal Instructions per PR Notice 2001-6
Raid Fogger K
EPA Reg. No. 4822-452
Your Submission Dated February 14, 2002

Dear Mr. McArthur:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

1. Revise the last sentence of the "If empty" disposal instructions to read: "If recycling is not available, place in trash." This change is consistent with the guidance provided by Amy Breedlove in her December 12, 2001 letter regarding alternative disposal language.
2. Delete the bullets "NEW!" and "Institutional Size" as required in the other letter regarding this product, dated and mailed to you on April 22, 2002.

If you have any questions regarding this action, please contact Susan Stanton of my team at (703) 305-5218.

Sincerely,

A handwritten signature in cursive script that reads "Susan L. Stanton, for".

George T. LaRocca
Product Manager (13)
Insecticide Branch
Registration Division (7505C)

Instrucciones en Espanol dentro de la caja.

For use in apartments, homes, attics, basements, cabins, garages, household storage areas, sheds, campers. One 1.5 oz (2.1 oz.) can treats up to 5000 (7000) cu. ft. (625) (875) sq. ft) of unobstructed space (25' x 25' x 8') (25 x 35 x 8). Do not use in a room 5 ft. x 5 ft. or smaller (instead allow fog to enter from other rooms). Apply this product only as specified on this label. Do not use in food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed.

ACTIVE INGREDIENT:

**Cypermethrin..... 1.716%

OTHER INGREDIENTS:..... 98.284%

NET WT. 1.5 (2.1) oz.

Contains ____ (brand name) (foggers) (units) (3 Pack)

KEEP OUT OF REACH OF CHILDREN

CAUTION: SEE ADDITIONAL PRECAUTIONARY STATEMENTS ON BACK

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[NOTE TO REVIEWER: Graphics and corresponding numbering are used with directions to promote clearer consumer understanding.]

Preparation and Directions for Using Container:

Open cabinets, cupboards, drawers, closets and doors in areas to be treated. REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. REMOVE pets and birds, cover and turn off fish aquariums before spraying. Turn off air flow systems in aquariums. COVER waxed wood floors, waxed furniture and stereo or other plastic dust covers in the immediate area surrounding the fogger (newspapers may be used).

CLOSE outside doors and windows. SHUT OFF fans and air conditioners. Extinguish all flames and pilot lights. Call your gas utility or management company if you need assistance. Do not use fogger in a cabinet or under a counter or table. Use only one can in rooms 12' X 12' or smaller.

Place a chair, table or stand in the center of the room to be fogged. Cover with several layers of newspaper or paper towels.

Break off and remove (bend) tab on side of sprayer. Tilt sprayer AWAY from face (container sprays straight up). Press down firmly on sprayer pad until it snaps into place.

Set fogger on covered stand. Immediately leave treated area.

Keep treated area closed for at least four hours. Before reoccupying the area, open all doors and windows and allow treated area to air for 30 minutes.

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets, or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller, instead allow fog to enter from other rooms. Turn off all ignition sources such as pilot lights (shut off gas valves), other open flames, or running electrical appliances that cycle off and on (i.e. refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

STORAGE & DISPOSAL

STORAGE: Store away from heat or open flames in an area inaccessible to children.

DISPOSAL: **Do Not Puncture or Incinerate!**

If empty: This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the container by using the product according to the label. If recycling is not available, wrap the container and put in the trash.

If partially filled: Call your local solid waste agency or 1-800-558-5252 for disposal instructions.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May be harmful if swallowed or inhaled. Avoid breathing vapors. Causes moderate eye irritation. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. May cause contact sensitization following repeated contact with the skin of some individuals. Wash with soap and water after handling. Do not remain in enclosed areas during use. Keep out of treated area for four hours. Ventilate enclosed area for 30 minutes before reoccupying. Remove pets and birds and cover and turn off fish aquariums before spraying. All food preparation surfaces should be covered during application and thoroughly cleaned after use.

First Aid:

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes.

Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

[Note to Reviewer: Boxed format and "bullets" will be used if label space permits.]

PHYSICAL OR CHEMICAL HAZARDS

Extremely Flammable. Contents under pressure. Keep away from fire, sparks and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130° F. may cause bursting.

This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully.

Highly Flammable Ingredient
Ingrediente Altamente Inflamable

Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.

SATISFACTION GUARANTEED:

IF RAID FOGGER K does not provide effective (roach) (and) (flea) control, call toll-free 800-558-5252 (weekdays, 9:00 a.m. to 9:00 p.m. Eastern Time,) to arrange for a full refund.

LABEL

Mr. Stuart McArthur
S.C. Johnson & Son, Inc.
1525 Howe Street
Racine, WI 53403

APR 22 2002

Dear Mr. McArthur:

Subject: Amendment- Update stamped label
Raid Fogger K
EPA Registration Number 4822-452
Your submission dated February 5, 2002

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(7)(a), is acceptable provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a) Delete the bullet "new". We regret we overlooked this in our last review.
 - b) Delete "Institutional Size". This product is not labeled for use in Institutions.
3. Submit two (2) copies of your final printed labeling before you release

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

George T. LaRocca

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[NOTE TO REVIEWER: Graphics and corresponding numbering are used with directions to promote clearer consumer understanding.]

Preparation and Directions for Using Container:

Open cabinets, cupboards, drawers, closets and doors in areas to be treated. REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. REMOVE pets and birds, cover and turn off fish aquariums before spraying. Turn off air flow systems in aquariums. COVER waxed wood floors, waxed furniture and sterc or other plastic dust covers in the immediate area surrounding the fogger (newspapers may be used).

CLOSE outside doors and windows. SHUT OFF fans and air conditioners. Extinguish all flames and pilot lights. Call your gas utility or management company if you need assistance. Do not use fogger in a cabinet or under a counter or table. Use only one can in rooms 12' X 12' or smaller.

Place a chair, table or stand in the center of the room to be fogged. Cover with several layers of newspaper or paper towels.

Break off and remove (bend) tab on side of sprayer. Tilt sprayer AWAY from face (container sprays straight up). Press down firmly on sprayer pad until it snaps into place.

Set fogger on covered stand. Immediately leave treated area.

Keep treated area closed for at least four hours. Before reoccupying the area, open all doors and windows and allow treated area to air for 30 minutes.

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets, or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller, instead allow fog to enter from other rooms. Turn off all ignition sources such as pilot lights (shut off gas valves), other open flames, or running electrical appliances that cycle off and on (i.e. refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

STORAGE & DISPOSAL

STORAGE: Store away from heat or open flames in an area inaccessible to children.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash.

[Per PR Notice 94-2 the following Disposal statement, or a variation which does not alter its intent, may be used:

DISPOSAL: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. (DO NOT PUNCTURE!) If recycling is not available, wrap the container and put in trash.]

PRECAUTIONARY STATEMENTS
