**Cypermethrin..... 1.716%

OTHER INGREDIENTS:..... 98.284%

NET WT. 1.5 (2.1) oz.

Contains _____ (brand name) (foggers) (units) (3 Pack)

KEEP OUT OF REACH OF CHILDREN

CAUTION: SEE ADDITIONAL PRECAUTIONARY STATEMENTS ON BACK

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

NOTE TO REVIEWER: Graphics and corresponding numbering are used with directions to promote clearer consumer understanding.]

Preparation and Directions for Using Container:

Open cabinets, cupboards, drawers, closets and doors in areas to be treated. REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. REMOVE pets and birds, cover and turn off fish aquariums before spraying. Turn off air flow systems in aquariums. COVER waxed wood floors, waxed furniture and stereo or other plastic dust covers in the immediate area surrounding the fogger (newspapers may be used).

CLOSE outside doors and windows. SHUT OFF fans and air conditioners. (Extinguish) (turn off) all flames and pilot lights. Call your gas utility or management company if you need assistance. Do not use fogger in a cabinet or under a counter or table. Use only one can in rooms 12' X 12' or smaller.

Place a chair, table or stand in the center of the room to be fogged. Cover with several layers of newspaper or paper towels.

(Break off and remove) (bend) tab on side of sprayer. Tilt sprayer AWAY from face (container sprays straight up). Press down firmly on sprayer pad until it snaps into place. A small amount of (clear)(colored)(name of color) material will be slowly released, indicating that the (timer has been activated) (time delay) (delayed action) (timer) (has begun).

Set fogger on covered stand. Immediately leave treated area. (Fogging will begin in approximately (#)(seconds)(minutes).)

Keep treated area closed for at least four hours. Before reoccupying the area, open all doors and windows and allow treated area to air for 30 minutes.

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets, or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller, instead allow fog to enter from other rooms. Turn off all ignition sources such as pilot lights (shut off gas valves), other open flames, or running electrical appliances that cycle off and on (i.e. refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

STORAGE & DISPOSAL

STORAGE: Store away from heat or open flames in an area inaccessible to children.

DISPOSAL: Do Not Puncture or Incinerate!

If empty: This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the container by using the product according to the label. If recycling is not available, place in trash.

If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May be harmful if swallowed or inhaled. Avoid breathing vapors. Causes moderate eye irritation. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. May cause contact sensitization following repeated contact with the skin of some individuals. Wash with soap and water after handling. Do not remain in enclosed areas during use. Keep out of treated area for four hours. Ventilate enclosed area for 30 minutes before reoccupying. Remove pets and birds and cover and turn off fish aquariums before spraying. All food preparation surfaces should be covered during application and thoroughly cleaned after use.

First Aid:

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

[Note to Reviewer: Boxed format and "bullets" will be used if label space permits.]

PHYSICAL OR CHEMICAL HAZARDS

Extremely Flammable. Contents under pressure. Keep away from fire, sparks and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130° F. may cause bursting.

This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully.

**Highly Flammable Ingredient
Ingrediente Altamente Inflamable**

Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.
