Net Weight:

(Contains \_\_\_\_\_ units(foggers)(brand name))

(UNIT)(FOGGER)(BRAND NAME) creates a deep-penetrating, fumigating smoke that flushes roaches and fleas (bugs) out from where they hide and kills them on contact. When activated, it fumigates the whole room with a dry, white cloud of smoke. The fumigating smoke stays in the air during the 3-hour treatment, penetrating deep, filling cracks and crevices and going way under furniture and appliances to kill roaches and fleas (bugs) where they hide. That is why it kills so many bugs!

The (UNIT)(FOGGER)(BRAND NAME) is a simple and effective system for killing bugs. After preparing to fog, just plug the unit into a properly functioning 110v wall electrical outlet in each room you want to treat. Its delayed activation will give you 1-2 minutes to leave the area to be treated before an insecticide smoke is forcefully released for about 2 minutes, filling the entire room. One unit

treats a room of up to 16' x 20'. For best results, keep treated room closed for 3 hours after activation to allow the smoke enough time to fill the entire room and penetrate all areas where insects live and breed. After 3 hours, you may open-up the treated area and unplug fogger(s). Wrap used units in newspaper and throw in trash. These units are not re-usable.

(UNIT)(FOGGER)(BRAND NAME) (can be used in) (Use in) kitchens, living areas, garages, attics, offices, basements, bedrooms, bathrooms, and pet areas. (One unit treats a room of up to 16' x 20'.) (For best results, keep treated rooms closed for 3 hours after treatment.) German roaches may take longer to be killed than other bugs.

For indoor residential use for roach and flea control in kitchens, living areas, garages, attics, offices, basements, bedrooms, bathrooms, and pet areas. Do not use in commercial food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed.

TO CONTROL FLEAS:

(UNIT)(FOGGER)(BRAND NAME) kills adult fleas on contact. Clean or replace soiled pet bedding including cat litter. Vacuum pet quarters, carpets and areas where fleas are found.

Treat your pet with an approved flea control product (Raid Flea Killer Plus/Raid Flea killer Plus Dog Spray II or Raid Flea Killer Plus Cat Foam/Raid Flea Killer Plus Pet Foam) before returning it to treated area.

Flea eggs in your carpet may continue to hatch for two to three weeks after treatment. For control of fleas and their hatching eggs, treat with Raid Flea Killer Plus (Raid Flea Killer Plus Carpet & Room Spray). Its egg-stop formula kills fleas and their hatching eggs.

(UNIT)(FOGGER)(BRAND NAME) penetrates deep to kill roaches and fleas (bugs) dead.

Deep penetrating smoke kills roaches & fleas (bugs) where they hide.

Relieves infestations

Convenient - easy to use

Delayed fogging (fumigating) allows time to leave room

No oily residue (on surfaces)

4/11

No stains

Kills fleas and roaches (bugs) where they hide

Has delayed fogging (fumigating) action for greater convenience

Drives bugs out and kills on contact

Flushes bugs out from where they hide and kills on contact

Kills bugs dead

Dry smoke leaves no residue

Dry smoke penetrates to kill hidden bugs dead

Dry smoke penetrates to kill bugs without a wet residue

The delayed activation gives you time to walk out of the house

No nozzles to point or tabs to push

Easy to use from start to finish--just plug it in and leave

Just plug it in and leave

White dry smoke leaves no messy residue

No unpleasant smell

White dry smoke gets deep into cracks and crevices to kill roaches where they live and breed

White dry smoke gets deep into carpets/upholstery to kill fleas where they live and breed

White dry smoke reaches around corners (and other household obstructions) (for complete protection)

KILLS: Roaches, Palmetto Bugs, Water Bugs, Fleas, Ticks, Mosquitoes, Flies, Ants, (and) Spiders. (NOTE pre-adult fleas not included), and more.

New!

The new (Product Name) gives you...(combine w/approved claims)

Waits (one – ten) [NOTE TO REVIEWER: consistent w/use directions] minute(s) before fogging to let you leave the room.

Delay-activated fogger won't spray on you.

Unique dry vapor disappears by the time you return, leaving no wet residue behind.

Dead on contact

Kills roaches, spiders, and more!

Instrucciones en Espanol dentro del envase.

Delay-activated fogging lets you leave the room.

Dry smoke penetrates to kill bugs where they live and breed.

Unique dry vapor leaves no wet residue behind.

[NOTE TO REVIEWER: U.L. - REQUIRED STATEMENT FOLLOWS]

**IMPORTANT SAFETY INSTRUCTIONS**

When using the (UNIT)(FOGGER)(BRAND NAME), especially when children are present, basic safety precautions should always be followed, including the following:

**READ ALL INSTRUCTIONS BEFORE USING. KEEP AWAY FROM WATER.**

**WARNING - To reduce the risk of burns, electrocution, fires or injury to persons:**

1. Keep out of the reach of children. Do not use in a room where children or invalids are present. This is not a toy.
2. The (UNIT)(FOGGER)(BRAND NAME) must only be used in a properly functioning 120v wall electrical outlet. Ensure outlet is switched on. Do not use in overhead or floor outlets.
3. Do not use any extension cord, adapter, or voltage converter with this product.
4. Use the unit with the arrow pointing up. Do not peel or puncture the top seal of the unit.
5. Make sure the (UNIT)(FOGGER)(BRAND NAME) is not obstructed by curtains or furniture during use. Never block the top of the unit.
6. Make sure there are no overhead surfaces closer than 12".
7. The (UNIT)(FOGGER)(BRAND NAME) becomes hot during activation. Skin burns may result if the (Unit)(Fogger)(Brand Name) is touched within 30 minutes after activation. Upon activation do not re-enter treated area for 3 hours. Always unplug the (UNIT)(FOGGER)(BRAND NAME) immediately after returning to the area.
8. Do not place or store the (UNIT)(FOGGER)(BRAND NAME) where it can fall or be pulled into a tub or sink. Do not immerse in water or other liquid at any time.
9. Never operate the (UNIT)(FOGGER)(BRAND NAME) if it has been damaged. If it is not operating properly, or if it has been dropped, damaged or dropped into water, call 1-800-558-5252.
10. Use the (UNIT)(FOGGER)(BRAND NAME) only for its intended use as described (on the label).

6/11

11. This product is intended for indoor use only and can not be used outdoors.
12. Do not reuse this unit for any purpose.
13. Never drop or insert any object into any opening.

**SAVE THESE INSTRUCTIONS]**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[NOTE TO REVIEWER: DIRECTIONS MAY CONTAIN SUBTITLED PICTURES TO AID CONSUMER UNDERSTANDING.]

NOTIFICATION

U. S. Environmental Protection Agency  
Office of Pesticide Programs  
Document Processing Desk (Notification)  
Ariel Rios Building  
1200 Pennsylvania Ave., NW  
Washington, D.C. 20460  
ATTN: Ms. Joyce Edwards

Dear Ms. Edwards:

Re: Notification of Change in Phone Number  
Raid PIP I, EPA Reg. No. 4822-456

The purpose of this notification is to correct the telephone number which is provided in the recently approved Storage and Disposal revisions to our registered labels, from 1-800-558-5252, to **1-800-529-3394**. Upon realizing such correction would be necessary, I contacted each of the PM teams involved in our various registrations, Anne Sibold of PM 10, Linda DeLouise of PM 15, Tom Harris, and Jim Downing of BPPD, to inquire as to the proper procedure, and all advised that this minor correction should be filed as a notification.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 95-2 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If you have any questions concerning this submission please call me at 262-260-2405.

Thanks very much.

Sincerely,

Stuart McArthur  
Senior Registration Specialist  
S. C. Johnson & Son, Inc.
