#### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if swallowed or inhaled. Avoid breathing vapors. KEEP OUT OF REACH OF CHILDREN. For outdoor use only. Do not use indoors, in a tent or enclosed area. Attention, colored vent top is hot while in use. BE SURE TO WASH HANDS AFTER HANDLING.

#### FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

- If **swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow.

Do not induce vomiting unless told to do so by a poison control center or doctor.

Do not give anything by mouth to an unconscious person.

- If **inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

#### ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish. Do not apply directly to water. Drift from treated areas may be hazardous to organisms in adjacent aquatic sites.

#### PHYSICAL AND CHEMICAL HAZARDS

Place on level, stable surfaces. Do not cover lamp top with any foreign material while in use. Before lighting candle make sure wick is trimmed to 1/4 inch. To avoid fire hazard, do not place pads, matches or other foreign matter near candle flame. Never cut, bend or alter shape of pad. Pads may cause staining—avoid contact with other surfaces. Do not place OFF! PowerPad™ Lamp near combustible materials such as dry vegetation, clothing, or fuels. NEVER BURN CANDLE UNATTENDED. Failure to follow these instructions could result in personal injury or property damage. Do not use anything other than OFF! pads and candles in lamp.

S.C. Johnson & Son, Inc. will not be held responsible for damage, injury or poor performance caused by the use of other pads and candles.

**STORAGE:** Prolonged storage of repellent pads in outdoor conditions may decrease effectiveness. Store unused pads in an area inaccessible to children and pets.

**DISPOSAL:** Before disposing, empty package by using the product according to the label. Pad. Place exhausted pad in trash. Candle: After allowing exhausted candle to cool, place cup in trash. Unused pads:

Call your local solid waste agency or 1-800-529-3344 for disposal instructions. Never place unused product down any indoor or outdoor drain.

# OFF!<sup>®</sup> POWERPAD

### TO REPLACE PAD/CANDLE COMBINATION:

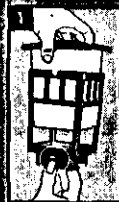

When candle is used up and will not relight, replace both candle and pad.

- Remove lamp top.
- Make sure flame is extinguished and lamp is cool before changing pad.
- Pull out used pad and slide in new pad.
- Remove used candle cup and firmly press new candle cup with fresh candle onto base post. To avoid fire hazard, use only OFF!<sup>®</sup> candles in lamp.
- Light candle. Raise frame base and snap into place. Avoid contamination of food.

### DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Locate lock tabs on unit base, press to release and lower frame.

2. Remove enclosed contents. Firmly press candle cup onto base post.

4. Remove repellent pad from package being careful not to cup, hand, or alter pad shape. Insert OFF!<sup>®</sup> PowerPad<sup>™</sup> into middle slot on top. Pad is designed to taste bitter to help prevent ingestion.

5. Raise frame base and snap into place.

6. Move lamp only when cool and not in use.

To avoid fire hazard, do not place pads, matches or other flammable materials near lamp.

When finished using, carefully remove frame base and blow out candle. Pad is designed to last as long as candle.

Subject: Label Notification  
Repellent LMO  
EPA Reg. No. 4822-469  
ABN – OFF! PowerPad Lamp

Dear Ms. Edwards:

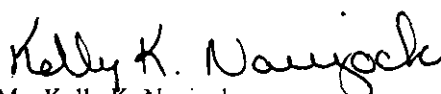

Please find enclosed the paperwork necessary to process the above-mentioned action. We will be selling this product in a special packaging configuration for a customer. The lamp will be offered with 9 refill sets inside of it, rather than the standard one refill set. The changes to the chipboard labeling for this product are that the label will read "contains 9 mosquito repellent pads and 9 candles" instead of "contains 1 mosquito repellent pad and 1 candle". Correspondingly to this change, the net weight will also increase by a factor of 9. This change is being accomplished via a notification and the following documents are enclosed in support of this action:

1. One Application for Pesticide Registration
2. Two copies of product labeling, one of which has the changes marked with a highlighter.
3. A copy of the e-mail correspondence between Mr. Gebken and myself as to the nature of this change being acceptable for notification processing.

**As this is a minor labeling change being processed as a notification, I believe no fees are required under PRIA.**

Thank you in advance for your processing of this submission. If I can be of any help, please do not hesitate to contact me at (262) 260-2686.

Sincerely,

  
Ms. Kelly K. Naujock  
Registration Specialist
