Date of Issuance:
JUL 10 1996

NOTICE OF PESTICIDE:
 X Registration
 Reregistration

Term of Issuance:
Conditional

Name of Pesticide Product:
Raid PP

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):
S.C. Johnson & Son, Inc.
1525 Howe Street
Racine, WI 53403-2236

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 4822-470"
 - b. Add the statement, "Causes moderate eye irritation.", to the Precautionary Labeling.

Printed on Recycled Paper

OFFICIAL FILE COPY

U.S. GOVERNMENT PRINTING OFFICE 1985 - 619-457

c. Revise the Statement Of Practical Treatment for IF SWALLOWED to read "Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger, or if available by administering syrup of ipecac. If person is unconscious, do not give anything by mouth and do not induce vomiting."

d. On the front panel revise the statement to read "For residential use in apartments, homes xxx etc.".

e. On the back panel delete the phrase "or for particularly heavy flea infestation" You already have instructions for controlling severe infestations with this product.

The acute toxicity, product chemistry and efficacy data submitted in support of Raid DOB (EPA Registration Number 4822-442) has been used in support of this product.

3. Submit two (2) copies of your final printed labeling before you release the product for shipment. Refer to A-79 for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

ACCEPTED
with COMMENTS
to EPA Letter Dated
JUL 10 1996
Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.
4822-470

Raid PP is designed for use when (a) flea infestation(s) occur(s) in your house. For a complete flea control program, (or for particularly heavy flea infestations) use Raid PP in conjunction with (other) Raid Flea Killer Plus products (Dog Spray, Fogger, Yard Spray, Carpet & Room Spray).

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO KILL FLEAS:

1. Use 8 oz. for each 100 square feet of carpet to be treated.
2. Make sure carpet is dry before using. Sprinkle Raid PP lightly over area by shaking container from side to side. Do not allow powder to become wet. If powder adheres to spot, brush it out and vacuum immediately. For best results, drive the powder deep into the carpet by brushing lightly with a broom.
3. Wait one hour, vacuum as usual. Waiting two or three hours may be required for severe infestations. Remove bag from vacuum, wrap, put in trash collection.
4. A second application of Raid PP 7 days later is recommended to continue controlling severe infestations.

STORAGE AND DISPOSAL

STORAGE: Store in cool dry area.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid contact with eyes or clothing. Wash hands with soap and water after handling. Avoid contamination of food and foodstuffs. All food processing surfaces and utensils should be covered during treatment or washed thoroughly after treatment. Remove pets, birds, and cover fish aquariums before treatment.

FIRST AID

If swallowed: Drink 1 - 2 glasses of water. Call physician or Poison Control Center. If person is unconscious, do not give anything by mouth and do not induce vomiting. If in eyes: Flush eyes with plenty of water. If irritation persists, seek medical attention.
