Subject: Amendment - Revised Label
Raid PP
EPA Registration No. 4822-470
Your submission dated February 14, 2002

Dear Mr. McArthur:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable, subject to the comments listed below.

1. Under the "Precautionary Statements" section, please move the statements "Avoid contamination...before treatment." to the "Directions for Use" section of your label.
2. Move the "Storage and Disposal" section to the end of your label.

A stamped copy of the label has been enclosed for your records. If you have any questions, please call Dr. William Sproat of my team at 703-308-8587.

Sincerely,

George T. LaRocca

NET WT.

KEEP OUT OF REACH OF CHILDREN

CAUTION

SEE ADDITIONAL PRECAUTIONARY STATEMENTS ON BACK PANEL

Raid PP is designed for use when (a) flea infestation(s) occur(s) in your house. For a complete flea control program use Raid PP in conjunction with (other) Raid Flea Killer Plus products (Dog Spray, Fogger, Yard Spray, Carpet & Room Spray).

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO KILL FLEAS:

1. Use 8 oz. for each 100 square feet of carpet to be treated.
2. Make sure carpet is dry before using. Sprinkle Raid PP lightly over area by shaking container from side to side. Do not allow powder to become wet. If powder adheres to spot, brush it out and vacuum immediately. For best results, drive the powder deep into the carpet by brushing lightly with a broom.
3. Wait one hour, vacuum as usual. Waiting two or three hours may be required for severe infestations. Remove bag from vacuum, wrap, put in trash collection.
4. A second application of Raid PP 7 days later is recommended to continue controlling severe infestations.

STORAGE AND DISPOSAL

STORAGE: Store in cool dry area.

DISPOSAL: ***Before disposing, empty the container by using the product according to the label. Do not reuse this container. Place in the trash or offer for recycling if available.***

If partially filled: Call your local solid waste agency or 1-800-558-5252 for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands with soap and water after handling. Avoid contamination of food and foodstuffs. All food processing surfaces and utensils should be covered during treatment or washed thoroughly after treatment. Remove pets, birds, and cover fish aquariums before treatment.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

If swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

[Note to Reviewer: Boxed format and "bullets" will be used if label space permits.]
