Subject: Raid Max Roach Bait V, EPA Registration # 4822-472
label amendment submitted 5/14/02 (correct KOROC)
accepted

Dear Mr. McArthur:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is ACCEPTED provided that you submit two (2) copies of your final printed labeling prior to releasing your product for shipment. If the above provisions are not complied with the registration will be subject to cancellation in accordance with FIFRA Section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

This amendment intentionally replaces the standard "Keep out of reach of children" statement with "Do not allow children or pets to play with the baits." This non-standard statement makes more sense given the Directions for Use of these bait stations in child resistant packaging.

A copy of your label stamped "accepted" is enclosed for your records.

If you have any questions please contact me at (703) 308-9423 or harris.thomas@epa.gov.

Sincerely yours,

Thomas C. Harris

ATTN: Ms. Joyce Edwards

Dear Ms. Edwards:

Re: Notification of Label Correction
Raid Max Roach Bait V, EPA Reg. No. 4822-472

The purpose of this notification is to correct the child warning statement on the subject label. On May 21, 2002, EPA approved an alternate child warning statement for this product, "Do not allow children or pets to play with the baits." This was thought to make more sense in the context of the product's use as a bait. A copy of that letter is attached. Unfortunately, in a submission a year later to make a minor revision to the use directions, I inadvertently submitted a label which retained the obsolete "Keep Out of Reach of Children" statement and this label was accepted and stamped on July 25, 2003. Having recently noticed this error, I am submitting another label with the correct child warning statement, consistent with EPA's May 21, 2002, approval and requesting that you please replace the most recent stamped accepted label with this one.

Also, if it is not too much to ask, could you please return a stamped copy to me? I am enclosing three copies of the label and a stamped, self-addressed envelope for that purpose.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 95-2 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If you have any questions concerning this submission please call me at 262-260-2405.

Thanks very much.

Sincerely,

Stuart McArthur

Effective against (Argentine Ants, Black Carpenter Ants, Cornfield Ants, Pharoah Ants, and) a wide variety of household ants.

Two baits in one.

Contains two food sources (ants) (roaches) (waterbugs) (and) palmetto bugs) eat.

With two foods (ants) (roaches) (waterbugs) (palmetto bugs) eat, to kill the (queen and) colony for up to three months.

(Contains Abamectin, that) keeps killing (ants) (roaches) (waterbugs) (palmetto bugs) continuously for up to three months.

(4) (8) (12) pack

Guaranteed To Work Or Your Money Back - See Back Panel (Label)

Guaranteed To Work

Two Different (Baits) (Foods) Instead of One

Dual (Bait) (Food) Technology

No (Harsh) Chemical (Smell) (Odor)

One-Two Punch to (Kill) (Control) Roaches

Kills Large and Small Roaches

Contains peanuts or peanut by-products.

ACTIVE INGREDIENT:

Avermectin B₁ 0.05%

OTHER INGREDIENTS:..... 99.95%

DO NOT ALLOW CHILDREN OR PETS TO PLAY WITH THE BAITS

CAUTION

See additional precautionary statements on back

CONTAINS # (Child Resistant) BAITS

NET WT. # OZ.

{Product Name} contain(s) Abamectin, an ingredient that keeps killing roaches (and)(ants) (palmetto bugs) (waterbugs) nonstop. {Product Name} are so advanced they kill roaches (and)(ants) (palmetto bugs) (waterbugs) where they breed, helping to rid your home of roaches (and)(ants) (palmetto bugs) (waterbugs) for up to three months. {Product Name} may be placed anywhere you've seen roaches (and)(ants) (palmetto bugs) (waterbugs), even in cabinets. Raid Max Roach Bait(s) V are guaranteed to work for even severe bug infestations.

For Household Use – (in) closets, basements, attics, recreation rooms, living areas, kitchens, bathrooms, dining rooms, pantries, food storage shelving, waste receptacles, etc.

(Ants) (Roaches) (Waterbugs) (Palmetto Bugs) are attracted to the bait in [Product Name]. the food is carried back to the nest to (**sterilize**) (the queen and) (destroy) the entire colony

(Ants) (Roaches) (Waterbugs) (Palmetto Bugs) will begin to feed – population reduction and less activity can be expected in about a week.

Page 3

Do not use residual sprays on or near (baits) (bait stations) [Product Name.]

{Product Name} (Baits) (Bait Stations) are (packed) in Child Resistant containers

For maximum effectiveness, use all (#) baits at one time and replace every three months.

[Product Name] (Baits) (Bait Stations) are designed to be visually inspected with a flashlight. This allows for monitoring and timely replacement.

For maximum effectiveness, (replace baits before they are)(do not allow baits to be) completely consumed.

This is how [Product Name] works

1. [Product Name] fit snugly in corners and along paths commonly traveled by roaches (and)(ants) (palmetto bugs) (waterbugs).
2. Roaches (and)(ants) (palmetto bugs) (waterbugs) are attracted to the bait to feed.
3. Roaches (and)(ants) (palmetto bugs) (waterbugs) eat the bait and return to nesting area to die.
4. Bait carried back to the nest continues to kill other roaches (and)(ants) (palmetto bugs) (waterbugs).

For best results use all (#) baits at one time as shown

[Note to reviewer: Graphics may be included to aid consumer understanding.]

ALTERNATE DIRECTIONS FOR USE (Ants)

DIRECTIONS FOR HOUSEHOLD USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. (Break apart) (Separate) (baits) (bait stations) [Product Name] (from the plastic frame) (before placement).
2. Place (baits) (bait stations) [Product Name] by ant trails or close to areas where ants are present. Do not place (baits) (bait stations) [Product Name] on food preparation surfaces when food is being handled or on utensils that are used for food preparation.)

NOTE TO REVIEWER: May also include advisory statements (see preceding page) relative to placement of all baits, and replacement prior to complete consumption to augment use directions.

DIRECTIONS FOR HOUSEHOLD USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For thorough roach (and)(ant) (palmetto bug) (waterbug) control, use all (#) baits at one time. To keep roaches (and)(ants) (palmetto bugs) (waterbugs) from returning, replace all baits every three months.

1. (Break apart) (Separate) (baits) (bait stations) [Product Name] (from the plastic frame) (before placement).
2. [Note to Reviewer: (a) is for a 12- or 18-count package, (b) and (c) are for the 4-count and 8-count sizes respectively, and (d) has more specific placement instructions, but without specific numbers.]

- (a) For thorough roach (and)(ant) (palmetto bug) (waterbug) control, all (#) baits must be used at one time. Place 10 baits in the kitchen and 2 in each bathroom. For LARGER KITCHENS or PARTICULARLY HEAVY INFESTATIONS, we strongly recommend using additional baits and placing at least 12-15 baits in the kitchen and 2-4 in each bathroom. If you see roaches (and)(ants) (palmetto bugs) (waterbugs) in other areas, such as the bedroom or utility room, use 2-4 additional baits.
- (b) For thorough roach (and)(ant) (palmetto bug) (waterbug) control, all (#, 4) baits must be used at one time. For larger kitchens or particularly heavy infestations, we strongly recommend using additional baits.
- (c) For thorough roach (and)(ant) (palmetto bug) (waterbug) control, all (#, 8) baits must be used at one time. For larger kitchens or particularly heavy infestations, we strongly recommend using additional baits.
- (d) For thorough roach (and)(ant) (palmetto bug) (waterbug) control, all (#) baits must be used at one time. For larger kitchens or particularly heavy infestations, we strongly recommend using (#?) additional baits in the kitchen and bathroom. If you see roaches (and)(ants) (palmetto bugs) (waterbugs) in other areas, such as the bedroom or utility room, use (#?) additional baits in these areas also.
- (e) For thorough roach (and)(ant)(palmetto bug)(waterbug) control, all (#) baits must be used at one time. Place one of each of the two different bait(s) (food) (type)(s) together in the same area at one time. (The (two) different (bait(s))(food) types can be distinguished by (their color.) (and) (the color of the label on the bottom of the bait station.)(The marking on the top of the bait station.)(You can tell (one bait from the other) (the baits apart) by (the color of the baits.) (the color of the label on the bottom of the bait station)(and)(the marking on the top of the bait station.)

3. For best results, place the baits next to the wall along baseboards, in corners, under sinks, in cabinets and near plumbing fixtures. You can even place [Product Name] baits in cabinets. Do not contaminate feed or food products or food preparation surfaces, dishes, kitchen utensils and food containers.

4. Baits work best on horizontal surfaces touching corners and walls. [NOTE TO REVIEWER: The following underlined sentence may or may not be used, as appropriate. If you apply a bait on a vertical surface, use the enclosed stickers. You will not find it necessary to use stickers for all (#) baits.]
5. Roaches (and)(ants) (palmetto bugs) (waterbugs) will begin eating the bait immediately and you should expect to see fewer roaches (and)(ants) (palmetto bugs) (waterbugs) within days.
6. Replace ALL baits every three months to keep roaches (and)(ants) (palmetto bugs) (waterbugs) from returning. (Use the 3 month reminder (enclosed, on your calendar or refrigerator to remember) (on the baits to indicate) the date of replacement).

STORAGE AND DISPOSAL STATEMENTS

STORAGE: Store in a cool, dry area inaccessible to children. Do not store above 130°F.

DISPOSAL: Do not reuse this container. Place in the trash or offer for recycling if available.

Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling.

FIRST AID

Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

SATISFACTION GUARANTEED:

If [Product Name] do not provide effective roach (and)(ant) (palmetto bug) (waterbug) control, call toll-free 800-558-5252 weekdays, 9:00 a.m. to 9:00 p.m. Eastern Time, to arrange for a full refund.
