Dear Ms. Hobgood:

Re: Notification of Correction of Typographical/Printing Error
Raid Max Roach Bait V, EPA Reg. No. 4822-472

Hi, Sherada, hope this letter finds you well.

I'm sending along an 8570-1 form and a copy of the master label for the subject product, in order to notify the Agency that we have discovered and are correcting a typographical error in the telephone contact number in the Storage and Disposal statement. The number should read 1-800- 529-3394, rather than 534-3329, as was erroneously included in our July 24, 2006 notification.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If you have any questions concerning this submission please call me at 262-260-2405.

Thanks very much.

Sincerely,
