Subject: Label Notification
Raid Ant & Roach Killer 479
EPA Reg. No. 4822-479
Notification of minor labeling changes

Dear Ms. Arrington:

S.C. Johnson & Son, Inc. wished to notify the EPA of minor labeling changes being made to the above cited product. Specifically, the changes are:

1. Removal of the word "New"
2. Increased font size of product name
3. Relocated the front panel "Kills" claim to higher up on the graphic shield allowing for the removal of the word "plus"
4. Added appropriate patent numbers
5. Revised the EPA Establishment Number

In most situations, these changes could have been made as non-notifications. However, for this product, the EPA stamped labeling is actually a final printed label rather than a master label. As such, I am sending these changes via a notification process.

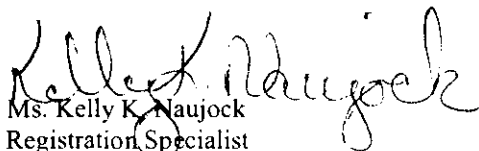

In support of this notification, I have enclosed the following:

1. One Application for Pesticide Registration – notification
2. Two copies of product labeling for the 17.5 and 12 oz. cans.

As this submission is a notification, there are no PRIA fees required.

Thank you in advance for your processing of this submission. If I can be of any help, please do not hesitate to contact me at (262) 260-2686.

Sincerely,

Ms. Kelly K. Naujock
