 1525 Howe Street  
 Racine, WI 53403-2236

JUN 08 2000

Subject: BD1  
 EPA Registration No. 4822-484  
 Amendment Date: 5/16/00  
 EPA Receive Date: 5/17/00

Attention: Ms. Christine Benter,  
 Registration Specialist

The amendment referenced above, submitted in connection with registration under FIFRA, as amended, to update the label is acceptable provided you address the following recommendation before you release this product for shipment.

On page 3, the surfaces, window sills and kitchen sills, must be qualified as hard, non-porous by stating "*finished*" window and kitchen sills.

It is understood by the Agency that the phrase, "*in bathrooms*," on page 3 will be **optional** language on products labeled solely for use in bathrooms. However, the phrase, "*in bathrooms*" will be **required** language on all-purpose products (i.e. labeled for use in kitchens, bathrooms, etc.).

A stamped label is enclosed for your records. Please submit one copy of the final printed label before you release this product for shipment. If you have any questions regarding this letter, please contact Jacqueline Campbell at (703) 308-6416.

Sincerely,

Velma Noble  
 Product Manager (31)  
 Regulatory Management Branch I  
 Antimicrobials Division (7510C)

RESIDUAL Sanitizing/Antibacterial/Mold & Mildew Control claims:

14 day antibacterial activity† [in bathrooms] between cleanings.  
BD1 stops many bacteria† from coming back [in bathrooms] between cleanings for 14 days.  
Residual self-sanitizing against many bacteria† [in bathrooms] between cleanings for 14 days.

1. NOTE TO REVIEWER - If any of the above 3 claims are used on the label, they will be footnoted on the back label as follows:

†Staphylococcus aureus (Staph), Escherichia coli (E. coli), Klebsiella pneumonia (Klebsiella) (phrase deleted).

2. NOTE TO REVIEWER - For the above 3 claims, "in bathrooms" is OPTIONAL language on products labeled solely for use in bathrooms; "in bathrooms" is REQUIRED language on all-purpose products (i.e., labeled for use in kitchens, bathrooms, etc.).

- (Kills) (Eliminates) mold and prevents it from re-growing [in bathrooms] between cleanings for 14 days.
- (Kills) (Eliminates) mildew and prevents it from re-growing [in bathrooms] between cleanings for 14 days.
- (Kills) (Eliminates) mold and mildew and prevents them from re-growing [in bathrooms] between cleanings for 14 days.
- Prevents (re-growth) (return) of mold [in bathrooms] between cleanings for 14 days.
- Prevents (re-growth) (return) of mildew [in bathrooms] between cleanings for 14 days.
- Prevents (re-growth) (return) of mold and mildew [in bathrooms] between cleanings for 14 days.

(original note deleted; following note added)

NOTE TO REVIEWER - For the above 6 claims, "in bathrooms" is OPTIONAL language on products labeled solely for use in bathrooms; "in bathrooms" is REQUIRED language on all-purpose products (i.e., labeled for use in kitchens, bathrooms, etc.).

(For use on) (Cleans):	Tubs (and glazed tile)	Vanity tops	Household surfaces
	Chrome	Shower curtains	Floors
	Sinks	Appliance exteriors	Garbage cans
	Counter (tops)	Hard surfaces	Kitchen sills
	Cabinets	Washable walls	Stove (oven) exteriors
	Shower (stalls) (areas)	Kitchen surfaces	
	Refrigerator exteriors	Stove tops	
	Window sills	Toilet seats	

Effective on modern washable surfaces like fiberglass, glazed porcelain, Formica®\*, stainless steel, synthetic marble, glazed tile, plastic, and vinyl

For other surfaces, spot test in an inconspicuous area

Contains no abrasives, harsh acid or bleach

Won't scratch

Non-abrasive and contains no bleach

No harsh fumes

Bleach-free (formula)

No harsh chemical odor

For best results on cleaning tough soils, allow product to remain on surface longer.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO CLEAN:

Spray 6-8" from surface to be cleaned. Allow (foam) (product) to penetrate (soiled area) (soap scum), (dirt), (and stains). Wipe with wet cloth or sponge. No need to wipe dry. On chrome, rinse with water.

TO CONTROL MOLD AND MILDEW:

Spray hard, non-porous surface until thoroughly wet. Leave for at least 1 minute before wiping. Reapply as new growth appears.

FOR RESIDUAL MOLD AND MILDEW CONTROL:

First, clean hard surface according to "TO CLEAN" directions (~~deleted "above"~~). Then spray hard surfaces thoroughly. Reapply at least every two weeks or as hard surfaces become heavily soiled. For best residual results, start using on hard surfaces that are free of visible mold and mildew stains. This product is residually effective between cleanings for 14 days on hard, inanimate, environmental bathroom surfaces such as shower stalls, tubs and sinks.

FOR RESIDUAL ANTIBACTERIAL CONTROL:

First clean hard surface according to "TO CLEAN" directions (~~deleted "above"~~). Then spray hard surfaces (~~deleted "until"~~) thoroughly (~~deleted "wet"~~). Leave for at least 1 minute before wiping. Reapply at least every two weeks or as hard surfaces become heavily soiled. This product is residually effective between cleanings for 14 days on hard, inanimate, environmental bathroom surfaces such as shower stalls, tubs and sinks.

TO DISINFECT:

Spray hard, non-porous surface until thoroughly wet. Leave for at least 1 minute before wiping. For heavily soiled hard, non-porous surfaces, first clean surface according to "TO CLEAN" directions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Causes eye irritation. Harmful if absorbed through skin. Avoid contact with eyes, skin, and clothing. Wash hands thoroughly with soap and water after use.

FIRST AID:

If in eyes: Flush with plenty of water. If irritation persists, get medical attention.  
If on skin: Wash promptly with plenty of soap and water. Get medical attention.

STORAGE & DISPOSAL:

STORAGE: Store in a cool, dry area inaccessible to children.

DISPOSAL: Do not reuse empty container (except when using refill pack). To discard empty container wrap container and put in trash.
