JUL 27 1998

NOTICE OF PESTICIDE:
 X Registration
 Reregistration

Term of Issuance:
Conditional

Name of Pesticide Product: **RAID**
CK

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

**S.C. Johnson & Son Inc.
1525 Howe Street
Racine, WI 53403**

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 4822-488".
3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

RAID -CK

Raid CK is designed for use when (a) flea infestation(s) occur(s) in your house. For a complete flea control program, or for particularly heavy flea infestations, use RAID CK in conjunction with other Raid Flea Killer Plus products (Dog Spray, Fogger, Yard Spray, Carpet & Room Spray).

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling. Shake well before using. Apply to dry surfaces only.

**TO KILL FLEAS, (FLEA LARVAE), (FLEA EGGS):
FOR CARPETS**

1. Use 8 oz. for each 100 square feet of carpet to be treated.
2. Make sure carpet is dry before using. Sprinkle RAID CK lightly over carpeted area by shaking container from side to side. Do not allow powder to become wet. If powder adheres to spot, brush it out and vacuum immediately. For best results, drive the powder deep into the carpet by brushing lightly with a broom.
3. Wait one hour, vacuum as usual. Waiting two or three hours may be required for severe flea infestations. Remove bag from vacuum, wrap, put in trash collection.
4. A second application of RAID CK 7 days later is recommended to continue controlling severe infestations.

FOR UPHOLSTERY

1. Remove all loose cushions. Sprinkle RAID CK lightly over creases and in corners by shaking container from side to side. Brush in gently.
2. Sprinkle along underside of furniture.
3. Wait one hour, vacuum as usual.

STORAGE AND DISPOSAL

STORAGE: Store in cool dry area.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands with soap and water after handling. Avoid contamination of food and foodstuffs. All food processing surfaces and utensils should be covered during treatment or washed thoroughly after use. Remove pets and birds. Cover fish aquariums before use.

FIRST AID

If swallowed: Call physician or Poison Control Center. Drink 1 - 2 glasses of water and induce vomiting by touching back of throat with finger, or if available by administering syrup of ipecac. If person is unconscious, do not give anything by mouth and do not induce vomiting.

If in eyes: Flush with plenty of water. If irritation persists, seek medical attention.
