**Re: Snake II**  
**EPA Reg. No. 4822-501**  
**Notification of Change in Phone Number**

Dear Ms. Edwards:

S.C. Johnson & Son, Inc. recently realized that the telephone number in the Disposal section of our registered labels needs to be corrected from 1-800-558-5252 to 1-800-529-3394. Stuart McArthur of SCJ contacted each of the PM teams involved in our various company registrations, Anne Sibold of PM 10, Linda DeLouise of PM 15, Tom Harris, and Jim Downing of BPPD to discuss how this might be accomplished procedurally, and each advised that this correction should be handled via notification. By means of this letter, we wish to officially notify the Agency of this minor change to the subject product label.

To facilitate this change we have enclosed a fully executed Application for Pesticide Registration and one (1) copy of the revised labeling. For your convenience the revision to the telephone number has been marked in **bold Italics**.

Thank you for your assistance with this matter. Should you have any questions regarding this submission or require anything additional please feel free to contact me at (262) 260-2871.

Regards,

Jean M. Fugate
