**OR**

(With this S.C. Johnson product) (This product), you can be sure your home doesn't just look clean, it's microscopically clean. This S.C. Johnson product does it all – cleans, shines, deodorizes and disinfects – for a complete clean. Unlike ordinary cleaners and disinfectants, this effective, versatile cleaner not only wipes out tough grease and grime, it kills food-related bacteria and odor-causing bacteria: *Salmonella choleraesuis* (Salmonella), *Streptococcus pyogenes* (Strep), *Staphylococcus aureus* (Staph), *T. mentagrophytes*, the agent that causes Athlete's foot fungus, *Pseudomonas aeruginosa* (Pseudomonas), *Escherichia coli* (E. coli), *Campylobacter jejuni* and *Shigella dysenteriae* and viruses\*: Herpes simplex virus type 1 (causes cold sores), Herpes simplex type 2 (causes genital herpes), Influenza A<sub>2</sub> (Hong Kong), Respiratory syncytial virus (RSV) and Rhino virus type 37 on environmental surfaces, all around the house, even on glass! All that's left behind is a light fresh scent and a streak-free shine. The cleaning experts at S.C. Johnson have combined the latest cleaning technology with antibacterial disinfectants, so there's nothing left behind but a brilliant, streak-free shine, plus a light fresh scent. You can be sure your home not only looks clean, it's completely clean.

**OR**

(This product) has combined its cleaners with antibacterial ingredients to kill bacteria: Staphylococcus aureus (Staph), Streptococcus pyogenes (Strep), Salmonella choleraesuis (Salmonella), T. mentagrophytes, the agent that causes Athlete's foot fungus, Pseudomonas aeruginosa (Pseudomonas), Escherichia coli (E. coli), Campylobacter jejuni and Shigella dysenteriae and odor causing bacteria and viruses\*: Herpes simplex virus type 1 (causes cold sores), Herpes simplex type 2 (causes genital herpes), Influenza A<sub>2</sub> (Hong Kong), Respiratory syncytial virus (RSV) and Rhino virus type 37 on environmental surfaces. Now you can disinfect as you cut through even the toughest greasy dirt leaving surfaces with a sparkling streak-free shine. Your kitchen is left with a fresh lemon scent that makes it smell as clean as it looks. Controls mold and mildew growth on hard, nonporous surfaces. Effective on countertops, appliances, cabinets, exhaust fans, microwave ovens, floors, glazed ceramic tile, stainless steel, chrome, fiberglass, glazed porcelain (surfaces) - disinfects exterior surfaces of the toilet, tubs, showers, sinks, basins, and chrome fixtures. For all other hard, non-porous surfaces, spot test in an inconspicuous area. Contains no abrasives, so it can't scratch surfaces.

**OR**

S.C. Johnson brings you this scientifically advanced cleaning product that does it all - cuts grease streak-free and kills household germs†: *Salmonella choleraesuis* (Salmonella), *Streptococcus pyogenes* (Strep), *Staphylococcus aureus* (Staph), *T. mentagrophytes*, the agent that causes Athlete's foot fungus, *Pseudomonas aeruginosa* (Pseudomonas), *Escherichia coli* (E. coli), Campylobacter jejuni and Shigella dysenteriae and viruses\*: Herpes simplex virus type 1 (causes cold sores), Herpes simplex type 2 (causes genital herpes), Influenza A<sub>2</sub> (Hong Kong), Respiratory syncytial virus (RSV) and Rhino virus type 37 on environmental surfaces. The cleaning experts at S.C. Johnson combined the streak-free, grease cutting power of Tough Act® with antibacterial disinfectants so you can get the maximum clean for your home.

**OR**

(With this hardworking S.C. Johnson product) (This product), your home not only looks clean, it's microscopically clean. Unlike ordinary glass and surface cleaners, this scientifically advanced formula leaves a brilliant, streak-free shine, plus kills common household germs†: *Salmonella choleraesuis* (Salmonella), *Streptococcus pyogenes* (Strep), *Staphylococcus aureus* (Staph), *T. mentagrophytes*, the agent that causes Athlete's foot fungus, *Pseudomonas aeruginosa* (Pseudomonas), *Escherichia coli* (E. coli), Campylobacter jejuni and Shigella dysenteriae and viruses\*: Herpes simplex virus type 1 (causes cold sores), Herpes simplex type 2 (causes genital herpes), Influenza A<sub>2</sub> (Hong Kong), Respiratory syncytial virus (RSV) and Rhino virus type 37 on environmental surfaces.

S.C. Johnson science has combined the best glass and surface cleaning technology with antibacterial disinfectants so you can get a clean, shiny surface, while killing household germs†. Perfect for high-touch areas like doors, windows, tabletops, appliances and countertops, where food germs, hand prints, or pet smudges appear.

Use throughout your home to clean, shine, and disinfect on shiny surfaces like glass, windows, mirrors, countertops, appliances, chrome, stainless steel, aluminum, glazed ceramic tile, glazed porcelain (surfaces) - disinfects exterior surfaces of the toilet, fiberglass, and patio doors. For all other hard, non-porous surfaces, spot test in an inconspicuous area. Not recommended for wood or varnished surfaces.

(TO OPERATE: Rotate nozzle to "ON" position and spray.)

7/13

Directions For Use for trigger foamer:

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**TO CLEAN AND DEODORIZE**, hold 6-8 inches from surface. Spray with quick, full strokes. Allow foam to penetrate dirt and soap scum. Wipe with wet cloth or sponge, rinse with water.

**TO DISINFECT/DEODORIZE**, pre-clean heavily soiled surfaces prior to disinfection. Hold 6-8" from the surface. Spray with quick, full strokes covering surfaces completely. Allow surfaces to remain wet for 10 minutes. Then wipe.

**TO PREVENT MOLD AND MILDEW GROWTH** on hard, nonporous surfaces, spray thoroughly. Reapply as new growth appears.

**TO REFILL:** Remove trigger sprayer from empty bottle. Unscrew cap on refill and pour contents directly into empty bottle. Replace trigger sprayer and use as you normally would.

**FOR FLOORS AND BIG JOBS:** Mix 1 cup of (Tough Act®) (this product) with 1 gallon of water. Apply with mop or sponge. Cleans all washable floors including no-wax, linoleum, vinyl, and glazed ceramic tile. Use full strength for tough greasy stains. For spot cleaning floors, apply straight from bottle and wipe clean with damp sponge or mop.

When using on food contact surfaces such as countertops, stoves or appliances, thoroughly rinse all wetted and cleaned surfaces with potable (tap) water. Make sure the product does not contact food.

Do not use on eating utensils, plates or glasses.

**NOTE TO REVIEWER: The statement below will only be used if the final printed label sites bathrooms and glazed porcelain surfaces**

Not for use as a disinfectant on interior surfaces of toilet bowls.

8/13

Directions For Use for non-foamer trigger:

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**FOR GENERAL HOUSEHOLD CLEANING**, hold 6-8 inches from surface, spray surface then wipe with a dry paper towel or lint-free cloth. No rinsing necessary.

**TO DISINFECT/DEODORIZE**, pre-clean heavily soiled surfaces prior to disinfection. Hold 6-8" from the surface. Spray with quick, full strokes covering surfaces completely. Allow surfaces to remain wet for 10 minutes. Then wipe.

**TO PREVENT MOLD AND MILDEW GROWTH** on hard, nonporous surfaces, spray thoroughly. Reapply as new growth appears.

**TO REFILL:** Remove trigger sprayer from empty bottle. Unscrew cap on refill and pour contents directly into empty bottle. Replace trigger sprayer and use as you normally would.

**FOR FLOORS AND BIG JOBS:** Mix 1 cup of (Tough Act®) (this product) with 1 gallon of water. Apply with mop or sponge. Cleans all washable floors including no-wax, linoleum, vinyl, and glazed ceramic tile. Use full strength for tough greasy stains. For spot cleaning floors, apply straight from bottle and wipe clean with damp sponge or mop.

When using on food contact surfaces such as countertops, stoves or appliances, thoroughly rinse all wetted and cleaned surfaces with potable (tap) water. Make sure the product does not contact food.

Do not use on eating utensils, plates or glasses.

NOTE TO REVIEWER: The statement below will only be used if the final printed label sites bathrooms and/or glazed porcelain surfaces.

Not for use as a disinfectant on interior surfaces of toilet bowls.

**PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS: CAUTION: CAUSES MODERATE EYE**

**IRRITATION.** Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling.

**Note to Reviewer: Boxed format or bullets may be used in First Aid section if label space permits.**

**FIRST AID:** Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**If in eyes**, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

**If on skin or clothing**, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

9/13

**STORAGE & DISPOSAL(:)**

**STORAGE:** STORE OUT OF THE REACH OF CHILDREN. **DISPOSAL:** Do not reuse container. Rinse thoroughly before discarding in trash.

The following Spanish translation is used on Antibacterial Scrubbing Bubbles® III Bathroom Cleaner (Alternate Brand Name):

Con repuesto  
Limpiador de Baño  
¡Elimina las manchas del jabón fácilmente!  
¡Desinfecta y desodoriza!

**PRECAUCIÓN: MANTENGA FUERA DEL ALCANCE DE LOS NIÑOS**  
Consulte al dorso para precauciones adicionales

(This product) (Antibacterial Scrubbing Bubbles® III Limpiador de Baños contiene SCRUBBING BUBBLES®) cuyo efecto de la espuma de globitos limpia a fondo, da brillo, desinfecta y desodoriza. No hace falta frotar. Está formulado especialmente para atacar la suciedad del jabón, las manchas del agua calcificada y la mugre. Controla los hongos y el moho en las superficies duras y que no son porosas. Mata los gérmenes caseros†: Estafilococo aureus (Staph), Estreptocóccico pyogenes (Strep), Salmonella choleraesuis (Salmonella), Trichophyton mentagrophytes (el hongo que cause el Pie de Atleta), Pseudomonas aeruginosa (Pseudomonas), Escherichia coli (E. coli), Campylobacter jejuni y Disentería shigella y virus\*: Herpes simplex virus tipo 1 (causa afta de catarro), Herpes simplex tipo 2 (causa herpes genitales), Influenza A<sub>2</sub> (Hong Kong), Virus respiratorio sincitial (RSV) y Rhino virus tipo 37 en superficies ambientales.

Efectivo en los mostradores de la cocina, electrodomésticos, gabinetes, extractores de aire, hornos de microondas, pisos, azulejos de cerámica barnizada, acero inoxidable, cromo, vidrio fibroso, (superficies de) porcelana barnizada – desinfecta la superficie exterior de inodoros, bañeras, duchas, fregaderos, lavabos y accesorios cromados. Para usarlo en otras superficies duras y que no son porosas, primero pruébelo en un área poco notable. Como no contiene abrasivos, no raya las superficies. Deja un brillo resplandeciente y un olor fresco y limpio.

(PARA USARLO: Gire el inyector a la posición de "ON" y rocíelo.)

Instrucciones Para Usar el disparador que echa espuma:

**INSTRUCCIONES PARA USARLO:**

Se considera una violación de la ley Federal usar este producto de una manera contraria a lo que indica la etiqueta.

**PARA LIMPIAR Y DESODORIZAR**, colóquelo a 6 ó 8 pulgadas de la superficie. Rocíelo como si estuviera dando una pincelada rápida. Permita que la espuma penetre la mugre y las manchas del jabón. Limpie con un trapo húmedo o con una esponja y después enjuague la superficie con agua.

**PARA DESINFECTAR/DESODORIZAR**, limpie primero las superficies que están muy sucias antes de desinfectar. Coloque a 6 ó 8 pulgadas de la superficie. Rocíe como si estuviera dando una pincelada rápida y cubra toda la superficie. Permita que transcurran 10 minutos con la superficie rociada. Después puede limpiarla.

**PARA PREVENIR QUE CREZCAN HONGOS Y MOHO** en superficies duras, que no son porosas, rocíelo bien. Vuelva a aplicarlo si ve que se están creando nuevos hongos.

**PARA RELLENAR**: Remueva el rociador de la botella vacía. Desenrosque la tapa y llene de nuevo la botella vacía. Vuelva a colocar el disparador y vuelva a usarlo como antes se indicó.

11/13

PARA LOS PISOS Y AREAS GRANDES: Mezcle una taza de Antibacterial Scrubbing Bubbles® III Limpiador de Baños en un galón de agua. Aplíquelo con un trapeador o una esponja. Limpia todo tipo de pisos incluyendo aquellos que no requieren cera, linóleo, vinilo, y azulejos de cerámica. Si tiene manchas de grasa bien resistentes, úselo puro sin mezclar. Para quitar manchas salteadas en el piso, aplique directamente a la mancha y límpielo con una esponja húmeda o un trapeador.

Cuando lo use en superficies dónde se colocan alimentos así como los mostradores de la cocina, estufa o electrodomésticos, enjuague a fondo con agua potable toda las superficies rociadas y limpiadas con el producto. Asegúrese de que el producto no toque la comida.

No utilice este producto en utensilios de comida, platos o vasos.

**NOTA AL REVISOR: La oración siguiente será utilizada sólomente si la etiqueta final contiene aplicación para baños y/o superficies de porcelana barnizada:**

No use este producto como desinfectante en las superficies interiors de inodoros.

DECLARACIONES DE PREVENCIÓN: RIESGOS PARA LOS HUMANOS Y ANIMALES DOMÉSTICOS  
PRECAUCIÓN: CAUSA IRRITACIÓN MODERADA EN LOS OJOS. Evite el contacto con los ojos, la piel y la ropa. Lávese bien con jabón y agua después de utilizarlo.

**Nota al Revisor: El formato en "cuadro" y los "puntos" serán usados si hay espacio en la etiqueta.**

**PRIMEROS AUXILIOS:** Llame a un centro de control de envenenamiento o al médico para recibir consejos sobre tratamiento. Tenga a su disposición el envase o la etiqueta del producto cuando llame a un centro de control de envenenamiento o al médico, o cuando vaya a tratamiento.

**Si le cae en los ojos,** Mantenga el ojo abierto y enjuáguelo con agua despacio y suavemente durante 15-20 minutos. Si tiene lentes de contacto, quíteselos después de los primeros 5 minutos, luego siga enjuagando el ojo.

**Si toca la piel o la ropa,** Quítese la ropa contaminada. Enjuágese la piel inmediatamente con bastante agua por 15-20 minutos.

**ALMACENAMIENTO Y ELIMINACIÓN (:)**

**ALMACENAMIENTO:** ALMACENE FUERA DEL ALCANCE DE LOS NIÑOS. **ELIMINACIÓN:** No vuelva a usar el envase. Enjuague completamente antes de desechar en la basura.

**Si le cae en los ojos,** Mantenga el ojo abierto y enjuáguelo con agua despacio y suavemente durante 15-20 minutos. Si tiene lentes de contacto, quíteselos después de los primeros 5 minutos, luego siga enjuagando el ojo.

**Si toca la piel o la ropa,** Quítese la ropa contaminada. Enjuágese la piel inmediatamente con bastante agua por 15-20 minutos.

**ALMACENAMIENTO Y ELIMINACIÓN (:)**

**ALMACENAMIENTO:** ALMACENE FUERA DEL ALCANCE DE LOS NIÑOS.

**ELIMINACIÓN:** No vuelva a usar el envase. Enjuague completamente antes de desechar en la basura.
