Notification of compliance with the Container Rule

Dear Ms. Tomimatsu:

Enclosed please find the paperwork necessary to comply with the Container Rule via notification. The only way in which this label differs from our last stamped accepted label, dated March 28, 2003, is the addition of language as prescribed in the rule. This change is highlighted in bold italic text on the enclosed label. I have also included an 8570-1 which contains the required certification language from PR Notice 98-10.

As this action is a notification, a PRIA fee is not required.

Please let me know if I can help further with this matter. I can be reached at 262-260-2686 or kknaujock@scj.com should you need anything.

Sincerely,

Ms. Kelly K. Naujock
