Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - Revision to update company contact info., replace EPA Establishment Number with "XXXXX," and other editorial revisions.
Product Name: OFF! BOTANICALS 2
Admin Number: 4822-515
EPA Receipt Date: 12/04/2025
Action Case Number: 00677974

Dear Joshua M.D. Hunnicutt:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact Nina Naimy via email at naimy.nina@epa.gov.

Sincerely,

A handwritten signature in black ink that reads "James Parker". The script is elegant and cursive, with the first letters of "James" and "Parker" being capitalized and prominent.

FIRST AID(:)

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product label with you when calling a poison control center or doctor, or going for treatment.

DIRECTIONS FOR USE(:)

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read all directions before using this product.

General Instructions: For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck and rub on. Do not apply to eyes and mouth and do not apply to the hands of young children. For continued protection from listed insects, reapply every 2 hours or after swimming, perspiration, vigorous activity or toweling. (After returning indoors, wash treated skin with soap and water.)

STORAGE AND DISPOSAL(:)

STORAGE: Store in a cool, dry area inaccessible to children.

DISPOSAL: Nonrefillable container. Before disposing, empty container by using the product according to the label. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.
