Dear Ms. Arrington:

Re: Raid KDN
EPA Reg. No. 4822-518
Notification of minor label changes per PR Notice 98-10

S.C. Johnson & Son, Inc. (SCJ) hereby notifies the U.S. Environmental Protection Agency that we are making minor label changes for the subject product. The changes are 1) Remove "New!", 2) Change to "Other" ingredients, 3) Improve the storage statement by enhancing clarity to consumers with designation of a "cool, dry place", 4) Fix typo to "re-treat", 5) Add trademark symbol (™) to our existing internet address, and 6) Add "Sold by:". These changes are consistent with and meet the requirements of PR Notice 98-10, section IV,F,8, II,G, IV,A, and IV, F, 7. Most of these changes qualify as non-notifications that we thought convenient to also include at this time. No other changes to the label have been made.

To facilitate your review we have enclosed the following:

- a completed Application for Pesticide Registration form 8570-1
- Three (3) copies of the label with changes clearly marked in ***bold italics***

I can be reached by telephone at (262) 260-4722 if you have any questions or require further information regarding this notification. Thank you for your attention to this matter.
