Subject: Notification per PRN 98-10 – Add graphics
Product Name: Raid KDN
EPA Registration Number: 4822-518
Application Date: 12/9/2021
Decision Number: 581806

Dear Steve Delgado:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact please contact Rebecca Lasko at 202-565-2469 or by email at lasko.rebecca@epa.gov.

Sincerely,

A handwritten signature in black ink that reads "J. Herrick".

Jacquelyn Herrick, Product Manager 03
Invertebrate & Vertebrate Branch 1
Registration Division (7505P)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR HOUSEHOLD USE: SHAKE WELL BEFORE EACH USE. Hold container upright. Do not spray up into air. Apply to surfaces only. Point spray opening toward surface to be sprayed and press button firmly. Hold about 12" from surface being sprayed. Spray until surfaces are wet. Avoid excessive wetting of asphalt, tile, rubber and plastic materials. To maintain control on plywood surfaces, retreat every 4 weeks. On all other surfaces, retreat every 6 months.

Remove pets and birds and cover aquariums. Cover or remove exposed food, dishes, utensils and food handling equipment.

[Graphic on the product package showing an image of a diagonal strikethrough over a drain. The pictogram must be legible (i.e. no smaller than 1.5 square centimeters or 0.25 square inches unless this size is greater than 10% of the size of the label.)

Do not allow to enter indoor or outdoor drains. *No permita la entrada a desagües infernos o exfernos.* Follow proper disposal procedures on this label. *Siga las indicaciones del etiquetado para el desecho apropiado del producto.*

ROACHES, WATERBUGS: (Using (attached) applicator wand), spray until wet in cracks around baseboards and other hiding places. When bugs are driven out, spray directly.

ANTS: Apply to ant trails, also around doors, windows and wherever ants enter house.

SILVERFISH, CRICKETS, SPIDERS: Spray areas infested by these pests.

STORAGE AND DISPOSAL

STORAGE: Store away from heat or open flames, in an area inaccessible to children.

DISPOSAL:

Do Not Puncture or Incinerate!

If empty: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the container (can) by using the product according to the label. If recycling is not available, place in trash.

If partially filled: Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency or 1-800-529-3394 for disposal instructions.

[OPTIONAL GRAPHICS]

[Note to Reviewer: Graphics on the final printed label may incorporate change in color, position or orientation or size]

[The steel recycle graphics symbol may be used.]

Spray(s) two ways

S.C. Johnson (& Son) (A Family Company) (Wax) (Fisk Johnson [signature])

Peel (remove) (tear) label (sticker) (coupon) (here) for complete use directions
Peel (remove) (tear) label (sticker) (coupon) (here) for complete use directions and precautionary statements
Peel (remove) (tear) label (sticker) (coupon) (here) before use.

Read entire label before use.
Apply this product only as specified.
Visit [website] to identify your bug and best treatment plan.

Use this product ([brand name]) to kill roaches and other listed bugs on contact.
Use to kill roaches and other listed bugs on contact.
Avoid spraying near baits to make sure roaches (and other listed bugs) can bring the bait back to where they hide.
Use this product ([brand name]) to (help) keep listed (bugs) (roaches) out (of your home).
Use to (help) keep listed (bugs) (roaches) out of your home.
Sprays 2 ways. Spray with the wand up for precise application in tight spots, including cracks, crevices, and under appliances. Spray with the wand folded down for larger areas.
Read the label to find the right product for your bug problem.

(Additional) Tips (Non-chemical Control Options) [one or more to be chosen from the following list]:

- Remove food spills and exposed food.
- Store food in sealed containers.
- Avoid leaving (accumulating) dirty dishes in sinks.
- Caulk cracks and crevices where roaches enter or escape into walls, including entry points from outside or neighboring units.
- Caulk hiding spots and points of entry (from outside or neighboring units).
- Keep food out of bedroom(s) and living room(s)
- Do not store items like firewood near the home, which provides areas for outdoor roaches to live and breed.

[Segmentation language, if used, to be used in its entirety]

Raid Defense System (Defense System)

- Attack(s) Bugs*
- Control(s) Bugs[†]
- Prevent(s) Bugs[‡]

Raid Defense System (Raid Guided Support) helps you work smarter, not harder, to fight bugs. Visit raidkillsbugs.com to identify your bug and best treatment plan.

Use this product to:

- Attack Bugs
- Kill bugs on contact (Kill the bugs you see)

*Use this product to kill (Use to kill) roaches and other listed bugs on contact. Sprays 2 ways. Spray with the wand up for precise application in tight spots, including cracks, crevices, and under appliances. Spray with the wand folded down for larger areas. Avoid spraying near baits to make sure bugs can bring the bait back to where they hide.

Use other Raid products to:

- Control Bugs
- Kill bugs at the source (Kill the bugs you don't see)

(optional text)
[note to reviewer]

[†] Use a Raid Raid Roach bait product to kill roaches where they hide. For heavy infestations, first use a Raid Fogger or Fumigator product and then place baits to provide ongoing control. Read the label to find the right product for your bug problem.

Prevent Bugs

Help keep bugs out (Keep bugs out)

[‡] Use a (Raid Perimeter Protection) (Other sub name for EPA Reg. No. 4822-561) product to help keep (to keep) roaches and other listed bugs out (of your home). Or, spray this product along baseboards, inside cracks, and behind appliances. Do not spray surfaces with more than one pest control product. Read the label to find the right product for your bug problem.
