PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS

CAUTION: May be harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes. Do not use on children under the age of three. Do not allow children to apply this product to themselves. Do not apply to excessively sunburned or damaged skin. May cause skin reaction in rare cases. Avoid breathing spray in enclosed areas.

[Note to reviewer: Boxed format or bullets may be used in First Aid section if label space permits.]

FIRST AID

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

IF SWALLOWED: Immediately call a poison control center or doctor for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. SKIN: If you or your child react to this product, wash treated skin and call your doctor.

NOTE TO PHYSICIAN

Contains petroleum distillates-vomiting may cause aspiration pneumonitis.

PHYSICAL & CHEMICAL HAZARDS

Combustible. Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read all directions before using this product.

General Instructions: Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. Do not use as a space spray. Use sufficient repellent to cover exposed skin evenly and completely. Wash hands thoroughly with soap and water after applying. For continued protection from listed insects, re-apply every 2 hours or after swimming, perspiration, vigorous activity or toweling. Application To Face: Do not spray directly on or near face. Instead, spray in palm of hand and spread on face and neck. Do not apply to face or hands of young children. For maximum protection, spread evenly with hand to moisten all exposed skin. Works On Clothing Too: Spray shirts, pants, socks and hats. Do not apply on or around spandex. Wash treated clothing before reuse. After returning indoors, wash treated skin with soap and water.

NOTIFICATION

Date Reviewed: 17 March 2011
Reviewed By: John Fournier, BPD

STORAGE AND DISPOSAL

STORAGE: Store away from heat or flame in an area inaccessible to children.

DISPOSAL: **Nonrefillable container.** Before disposing, empty container by using the product according to the label. Do not reuse **or refill** this container. Place in trash or offer for recycling if available.

If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.
