(New) Raid 1000

(New) Raid 1000 helps reduce the number of airborne odor-causing bacteria in the (air) (any room) (bathroom) to leave your (home) smelling clean and fresh. Unlike (ordinary) air fresheners that only mask odors temporarily, (New) Raid 1000 (, with a (touch) (push) of the (dispenser) (lever) (button), (it releases) (releases) a burst of (the) ((New) Raid 1000)) ~~4822-531~~ formula) (eliminating) (destroying) (taking away) (eliminates) (destroys) (takes away) (tough) (unpleasant) (odors) (stinks)(smells)(rotten odors)(smelly odors)(heavy odors) such as (bathroom,) (pet) (odors,) (smoke,) (and) (mildew) (odors) (by killing the odor-causing bacteria).

(New) Raid 1000 (is a discrete air sanitizer spray that) actually kills odor-causing bacteria in the air, unlike (ordinary) air fresheners (treatments) that only mask odors temporarily. Just a touch of the small, (unobtrusive) (out-of-the-way) (dispenser) (lever) (button) releases (an almost invisible) (a small) burst that kills the odor-causing bacteria in the air, (taking away) (eliminating) (destroying) (tough) (unpleasant) (odors) (stinks)(smells)(rotten odors)(smelly odors) (heavy odors) (such as) (bathroom,) (pet) (odors,) (smoke,) (and) (mildew odors) (just) (when you need it).

- It works (in) (places) (like) (areas) (such) (as) (around) (the) (kennel,) (garbage,) (litter box(es),) (sinks and drains,) (kitchens),(bathrooms,) (basements,) (bedrooms),(dining rooms),(living rooms,) (bed & breakfast),(restroom),(beauty shop),(barber shop),(hotel),(motel),(restaurant),(daycare center),(office),(locker room,) (kennels),(mobile homes),(campers),(sick rooms),(garbage),(closets,) (hampers,) (game rooms,) (studios,) (cabins,) (litter boxes,) (workshops,) (bars),(after fire,) (gyms,) (offices,) (garbage cans,) (diaper pails,) (dirty laundry,) (and boats.)

(Raid 1000 is a ~~new~~ product that cleans the air you breath.) (It) (Raid 1000) (is proven to eliminate odors) (eliminates odors), unlike current air fresheners that just mask odors, (by killing the (odor-causing) bacteria (in the air that cause odors)). Raid 1000 combats airborne contaminants and eliminates odor with glycol-ized action dispensing (micron) (micro) (sized) (particles) (ingredients) that (linger) (stay) in the air and attach to airborne bacteria and odors (to drastically reduce) (eliminate) (air pollution,) (deodorize,) (purify,) (odors,) and sanitize the air.

For use in (Hospitals) (restaurants) (hotels) (friend's homes) (Nursing Homes) (Schools) (Factories) (Offices) (Hotels) (Public Buildings) (Retail Stores) (Theaters) (Boats) (Campers) (and) (Homes).

The discrete air sanitizing spray can be (carried) (used) (in) (around) a (purse,) (pocket,) (travel bag,) (dop kit,) (suitcase,) (briefcase,) (desk,) (locker) (gym bag) (back pack) (fanny pack) (book bag) (or) (kitchen drawer) to be used to kill the odor-causing bacteria in the air, (taking away) (eliminating) (destroying) (tough) (unpleasant) (odors)
