Subject: Raid 1000
EPA Registration Number 4822-531
Your Amendment Dated January 4th, 2007
EPA Received Date January 18th, 2007

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, (FIFRA), as amended, to revise the product labeling, is acceptable.

A stamped copy of the labeling is enclosed for your records.

If you have any questions concerning this letter, please contact Karen M. Leavy-Munk at (703)-308-6237.

Sincerely,

A handwritten signature in cursive script that reads "M Swindell".

Raid 1000

Raid 1000 helps **to temporarily** reduce the number of airborne odor-causing bacteria in the (air)(any room)(bathroom) to leave your home smelling clear and fresh). Unlike (ordinary) air fresheners that only mask odors temporarily, Raid 1000 (, with a (touch)(push) of the (dispenser) (lever)(button), (it releases) (releases) a burst of (the) Raid 1000 formula, (eliminating)(destroying)(taking away)(eliminates)(destroys)(takes away) (tough)(unpleasant) (odors)(stinks)(smells)(rotten odors)(smelly odors)(heavy odors) such as (bathroom)(pet)(odors)(and mildew odors)(by killing the odor-causing bacteria). Raid 1000 (is a discrete air sanitizer spray that) actually kills odor-causing bacteria in the air, unlike (ordinary) air fresheners (treatments) that only mask odors temporarily. Just a touch of the small (unobtrusive)(out of the way)(dispenser)(lever)(button) releases (an almost invisible)(a small) burst that kills the odor-causing bacteria in the air, (taking away)(eliminating)(destroying) (tough)(unpleasant) (odors) (stinks)(smells)(rotten odors)(smelly odors)(heavy odors)(such as) (bathroom)(pet)(odors)(and)(mildew odors)(just)(when you need it).

Raid 1000 is a product that cleans the air you breathe. (It)(Raid 1000)(is proven to eliminate odors)(eliminates odors), unlike current air fresheners that just mask odors, (by killing the odor-causing bacteria in the air)(that cause odors). Raid 1000 combats airborne contaminants and eliminates odors with glycol-ized action dispensing (micron)(micro)(sized)(particles)(ingredients) that (linger)(stay) in the air and attach to airborne **odor-causing** bacteria and odors (to drastically reduce)(eliminate)(air pollution) (deodorize)(purify)(odors) and sanitize the air. The discrete air sanitizing spray can be (carried)(used) in (around) a (purse)(pocket)(travel bag)(dop kit)(suitcase)(briefcase)(desk)(locker)(gym bag)(back pack)(fanny pack)(book bag) or (kitchen drawer) to be used to kill the odor-causing bacteria in the air, (taking away) (eliminating) (destroying)(tough)(unpleasant)(odors)(stinks)(smells)(rotten odors)(smelly odors)(heavy odors) (such as)(bathroom)(pet)(mildew)(odors)(just)(when you need it).

Temporarily reduces (airborne) odor-causing bacteria in the air.

Kill(s) odor-causing bacteria in the air.

Kills airborne household odor-causing bacteria and eliminates their odors

Kills odor-causing bacteria in the air and eliminates their odors.

(Eliminates)(Destroys)(Takes away) odors caused by bacteria.

(Eliminates)(Destroys)(Takes Away)(odors)(stinks)(smells)(rotten odors) (smelly odors)(heavy odors) caused by bacteria.

(Eliminates)(Destroys)(Takes Away)(odors)(stinks)(smells)(rotten odors) (smelly odors)(heavy odors) by killing odor-causing bacteria

(Eliminates)(Destroys)(Takes Away)(odors)(stinks)(smells)(rotten odors) (smelly odors)(heavy odors) unlike air fresheners that only mask odors temporarily

(See insert for complete directions for use, precautionary text, first aid and storage and disposal.)

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

TO TEMPORARILY REDUCE AIRBORNE **ODOR-CAUSING** BACTERIA and eliminate odors (in the air)(around the toilet), close all doors, windows, and air vents. For maximum effectiveness, relative humidity should be between 45% and 70%. Resume normal room ventilation after spray has settled.

Note to reviewer: The following is for a wall mounted unit

1. To mount the Raid 1000 dispenser, first clean surface with isopropyl rubbing alcohol and let it dry. Second, peel paper from (3M Command or other appropriate trade name) adhesive and attach to a vertical surface. Press firmly for 30 seconds. Do not use on delicate or vinyl wallpaper, or bare wood. Not recommended for use on plasterboard or painted drywall.
Note: Apply to surfaces above 50F (10C). Adhesive could lose adhesion above 105F(40C). Do not position under cabinets or wood surfaces. (For best results of eliminating bathroom odors, place in an easily accessible area around the toilet.)
2. Insert the Raid 1000 canister into the Raid 1000 dispenser, snap canister in place.
3. Push lower part of (dispenser)(lever) to release (the) Raid 1000 (for) X for a room size of Y.

8/10

Note to reviewer: One value for X and one value for Y will be chosen for the final product label.

If the commercial product utilizes a 120 μ l valve in a metered dose aerosol can, one of the following will be chosen:

X	Y
1 time for a	2½' x 2½' x 7'
2 times for a	4' x 3' x 7'
3 times for a	4½' x 4' x 7'
4 times for a	5' x 5' x 7'

If the commercial product utilizes a 185 μ l valve in a metered dose aerosol can, one of the following will be chosen:

X	Y
1 time for a	3' x 3' x 7'
2 times for a	4½' x 4' x 7'
3 times for a	5½' x 5' x 7'
4 times for a	6' x 6' x 7'

If the commercial product utilizes a continuous action aerosol can, the following will be chosen:

X	Y
1 second spray for a	9½' x 9' x 7'

1822-537

4. TO REMOVE the Raid 1000 dispenser, follow these instructions: First, remove the Raid 1000 canister from the dispenser. Second, with one hand, twist the dispenser left and right until adhesive is loosened. Third, pull dispenser off the wall.

5. Important: For maximum effectiveness and to kill odor-causing bacteria in the air, use only Raid 1000 canisters in this unit. S.C. Johnson and Sons, Inc. will not be responsible for damage, injury, or poor performance caused by any other canisters other than the Raid 1000 canisters. (Do not position near heat or electrical sources.) (Do not spray directly on to surfaces. In case of contact with surfaces, wipe immediately with damp cloth.)

Note to reviewer: The following is for a hand held unit:

1. Push the (button)(dispensing cap) to release (the) Raid 1000 (for) X for a room size of Y.
2. Important: For maximum effectiveness and to kill odor-causing bacteria in the air, use only Raid 1000 canisters in this unit. S.C. Johnson and Sons, Inc. will not be responsible for damage, injury, or poor performance caused by any other

Storage and Disposal Statements

STORAGE: *Store in a cool, dry place away from fire, sparks, and heated surfaces.* **DISPOSAL:** This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. (DO NOT PUNCTURE!) If recycling is not available, wrap the container and discard in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION:

Avoid contact with food and food utensils. Avoid contact with eyes.

Before using product throughout your home, use in one room and wait 24 hours to ensure that no one has any physical reactions to the product.

Asthma and Allergy Sufferers:

Consult your physician before using this product in your home.

Before spraying, remove birds. After use, ventilate normally prior to returning birds to treated area.

FIRST AID: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL/CHEMICAL HAZARDS: EXTREMELY FLAMMABLE! Keep away from fire, sparks and heated surfaces. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 120F may cause bursting.

ATTENTION: *Use only as directed. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal. Help stop inhalation abuse. For more information, visit "<http://www.inhalant.org/>".*
