U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Biopesticides and Pollution Prevention Division (7511C)  
1200 Pennsylvania Avenue NW  
Washington, DC 20460

EPA Reg. Number:

4822-534

Date of Issuance:

MAR 25 2004

NOTICE OF PESTICIDE:

Registration  
 Reregistration

(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

Raid EO ARK

Name and Address of Registrant (include ZIP Code):

S.C. Johnson & Son, Inc.  
1525 Howe Street  
Racine, WI 53403

**Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product, refer to the above EPA registration number.**

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration does not eliminate the need for continual reassessment of the pesticide. If EPA determines at any time, that additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under section 3(c)(2)(B) of FIFRA.

This product is registered in accordance with FIFRA section 3(c)(5) and is subject to the following terms and conditions:

1. Make the following modifications to your label before your release your product for shipment:
  - a. Add the phrase, "EPA Registration Number 4822-534" to your label.
  - b. Submit five (5) copies of the revised final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

Signature of Approving Official:

(See second page for signature)

Date:

3/25/04

A stamped copy of the label for Raid EO ARK, EPA Registration Number 4822-534, is enclosed for your records.

Sincerely,

Janet L. Andersen, Ph.D., Director  
Biopesticides and Pollution  
Prevention Division (7511C)

Raid EO ARK – Master Label (3/24/04)

**FRONT PANEL:**

**Active Ingredients**

Eugenol.....	0.50%
2-Phenethyl Propionate.....	1.25%
Other Ingredients.....	98.25%
Total.....	100.00%

Contains Petroleum Distillates

Keep Out of Reach of Children  
 Caution: See back panel for (Additional Precautions) (and) (First Aid Statement)

**FRONT, SIDE, OR BACK PANELS:**

EPA Reg. No. 4822-  
 EPA Est. No.

Net Contents: 12 – 17.5 oz.

**Storage & Disposal**

**Storage:** Store in a cool, dry area away from heat or open flame.  
**Disposal:** Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. If partially filled: Call your solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.

**Precautionary Statements**

**Hazards to Humans and Domestic Animals**  
 Caution: Harmful if swallowed, inhaled, or absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes, and clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Prolonged or repeated contact with the skin may cause allergic reactions in some individuals.

[If the product is directed for use outdoors]  
 Environmental Hazards: Do not apply directly to water.

**Physical or Chemical Hazards:** Extremely flammable. Contents under pressure. Keep away from heat, sparks, and open flame. Do not use this product on electrical equipment. Do not puncture or incinerate container. Exposure to temperatures above 130° may cause bursting.

**FIRST AID**

Call a poison control center or doctor immediately for treatment advice.  
 If Swallowed: Call a doctor or get medical attention. Do not induce vomiting. Do not give anything by mouth to an unconscious person. Avoid alcohol.  
 If on Skin: Wash with plenty of soap and water. Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.  
 If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.  
 If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.  
 Have the product container or label with you when calling a poison control center or doctor, or going for treatment.  
 Note to Physician: Contains petroleum distillate – vomiting may cause aspiration pneumonia.

**Bad news for bugs, good news for you (and) (the environment)**

**Directions for Use**

**It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

**Shake well before using. Hold container upright and aim nozzle away from face. Press button firmly to spray.**

**For Wasps, Hornets, and Yellow Jackets: For best results, apply in the early morning or evening when (insect activity is minimal)(insects are at rest). Stand at a safe distance from the nest and not directly underneath. Hold can upright and point spray opening toward nest with wind at your back. Spray liberally until nest is thoroughly (saturated)(wet). Contact as many insects as possible.**

**For Tent Caterpillars: Apply when caterpillars are young and tents are first noticed. For best results apply in late afternoon or evening when caterpillars have returned to their tent. Aim spray directly at tent and apply until saturated.**
