New

Kills Most Common Household Insects

Kills (Fast)

Contains No (CFCs or Other) Ozone Depleting Substances

Federal Regulations prohibit CFC propellants in aerosols.

For Use Indoors &amp; Outdoors

Biopesticide

University Tested and Proven to (Kill) (Control) a Broad Spectrum of Insects

(Product Name) Kills:

Ants (except Fire Ants), carpet beetles, centipedes, cockroaches, crickets, earwigs, millipedes, pillbugs, non-biting gnats, waterbugs, silverfish, centipedes

[Claims Version A]

- (Made) (With) (From) (Contains)
- (Plant-based) (botanically-derived) (botanically inspired)
- Active ingredients
- (Extracted from plants) (made) (with) (from) (contain) (plant extracts) (plant) (essential) (oils)

[Claims Version B]

- Kills (bugs) (dead) (in seconds) (with) (using)
- (Plant-based) (botanically-derived) (botanically inspired)
- Active ingredients
- (Extracted) (from plants) (from plant (essential) oils)

Usage: Indoor/Outdoor

Indoor and Outdoor use

...without the harsh chemical smell

(Pleasant) (clean) (fresh) (natural) (clove) (scent) (smell) (odor) (fragrance)

Non-staining (non-porous surfaces)

Contains no chlorinated pesticides

Contains no organophosphates

Contains no chlorine-based ingredients

Made without dyes or phosphates

Bad news for bugs, good news for you (and) (the environment)

## 3

**FIRST AID**

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

If on Skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

You may also contact 1-800-558-5252 for emergency medical treatment information.

Note to Physician: Contains petroleum distillate – vomiting may cause aspiration pneumonia.

**Precautionary Statements****Hazards to Humans and Domestic Animals**

Caution: Harmful if swallowed, inhaled, or absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes, and clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Prolonged or repeated contact with the skin may cause allergic reactions in some individuals.

Physical or Chemical Hazards: Extremely flammable. Contents under pressure. Keep away from heat, sparks, and open flame. Do not use this product on electrical equipment. Do not puncture or incinerate container. Exposure to temperatures above 130° may cause bursting.

**Directions for Use**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before using. Hold container upright and aim nozzle away from face. Press button firmly to spray.

(For Crawling Insects) (Ant & Roach Killer): Spray into hiding places such as cracks, crevices, openings around sinks, drains and pipes, around appliances, along baseboards and behind cabinets. Spray until wet. Contact as many insects as possible. Ants: Spray ant trails, around doorsills and window frames. Contact as many ants as possible.

**Storage & Disposal**

Storage: Store in a cool, dry area away from heat or open flame.

Disposal: Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available.

If partially filled: Call your solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.

**Precautionary Statements****Hazards to Humans and Domestic Animals**

Caution: Harmful if swallowed, inhaled, or absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes, and clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Prolonged or repeated contact with the skin may cause allergic reactions in some individuals.

Environmental Hazards: Do not apply directly to water.

Physical or Chemical Hazards: Extremely flammable. Contents under pressure. Keep away from heat, sparks, and open flame. Do not use this product on electrical equipment. Do not puncture or incinerate container. Exposure to temperatures above 130° may cause bursting.

**Directions for Use**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before using. Hold container upright and aim nozzle away from face. Press button firmly to spray.

For Wasps, Hornets, and Yellow Jackets: For best results, apply in the early morning or evening when (insect activity is minimal)(insects are at rest). Stand at a safe distance from the nest and not directly underneath. Hold can upright and point spray opening toward nest with wind at your back. Spray liberally until nest is thoroughly (saturated)(wet). Contact as many insects as possible.

The product is most effective when used at a distance of 2 meters (6' 6") from nest of paper wasps, Hornets, and/or Yellow jackets. Individual stinging insects may survive up to 12 seconds following application of the product from a distance of 2 meters.

For Tent Caterpillars: Apply when caterpillars are young and tents are first noticed. For best results apply in late afternoon or evening when caterpillars have returned to their tent. Aim spray directly at tent and apply until saturated.

**Storage & Disposal**

**Storage:** Store in a cool, dry area away from heat or open flame.

**Disposal:** Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available.

If partially filled: Call your solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.
