Racine, WI 53403-2236

APR - 4 2005

Subject: Response to PRNs 2001-1, 2001-6, and addition of alternate CSFs  
Product Name: KBR 3023 ALL-FAMILY INSECT REPELLENT NON-AEROSOL SPRAY  
Registration No.: 4822-536  
Date of Submission: 3 November 2004

Dear Ms. Geyer;

The revised basic CSF and two alternate confidential statement of formulas (CSF) dated 3 November 2004, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, are acceptable. These CSFs have been added to the registration file for the aforementioned product. Previous CSFs are now considered superseded.

The label modifications submitted in response to PRNs 2001-1 and 2001-6, are acceptable.

The following marketing claims are not supported by product performance data and must be removed from the label:

- (Repels)(Shields against)(Protects against) mosquitoes that may carry (West Nile Virus)(Yellow Fever)(Encephalitis)
- Long lasting protection from mosquitoes, black flies, sand flies, stable flies, gnats, no-see-ums and fleas [This statement is misleading; 3-4 hours is not long lasting protection in comparison to other repellents.]
- Gives effective protection against mosquitoes, black flies, sand flies, stable flies, gnats, no-see-ums and fleas [Remove black flies, sand flies, stable flies, gnats, and no-see-ums.]
- Won't stain [Qualify that it should be tested on an inconspicuous area of the clothing prior to application]
- No fragrance [For use only with formulation SOF36053A]
- Fragrance free [For use only with formulation SOF36053A]

The label amendment submitted meets the standards set forth in PR Notice 2001-1 and is accepted conditionally.

**KEEP OUT OF REACH OF CHILDREN  
CAUTION**

**ACTIVE INGREDIENT:**  
Picaridin..... 5%  
**OTHER INGREDIENTS:.....95%**

**NET CONTENTS:** 1-8 fluid ounces (29-236 ml)

**PRECAUTIONARY STATEMENTS**

Hazards to Humans – **CAUTION:** Causes moderate eye irritation. Avoid contact with eyes. May cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash thoroughly with soap and water after handling.

*[Note to reviewer: Boxed format or bullets may be used in First aid section if label space permits]*

**FIRST AID**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Skin: If you or your child react to this product, wash treated skin and call a poison control center or doctor for treatment advice.

**PHYSICAL & CHEMICAL HAZARDS: FLAMMABLE:** Do not use near heat or open flame. Keep treated surfaces away from fire, sparks, or flame until dry.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.**

Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. Do not apply over cuts, wounds, irritated or sunburned skin. Do not spray in enclosed areas. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. Reapply every 3-4 hours. Frequent reapplication and saturation are unnecessary. Do not apply more than three times per day. Do not allow children to handle this product. After returning

indoors, wash treated skin with soap and water. FOR MAXIMUM PROTECTION, spread evenly with hands to moisten all exposed skin.

**TO APPLY TO FACE:** Spray palm of hand first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. When using on children, apply to your own hands and then put it on the child.

**WORKS ON CLOTHING TOO:** Do not use under clothing. Spray shirts, pants, socks, and hats. Will not damage fabrics, plastics, watch crystals, and painted or varnished surfaces.

**STORAGE:** Store away from heat or flame in an area inaccessible to children.

**DISPOSAL:** Before disposing, empty the container by using the product according to the label.

Do not reuse this container. Place in trash or offer for recycling if available.

If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions.

Never place unused product down any indoor or outdoor drain.
