Subject: Label Notification per PRN 2007-4 – Adding marketing claims
Product Name: ETLG-3
EPA Registration Number: 4822-537
Application Date: 3/14/2019
Decision Number: 549499

Dear Mr. Hollas:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 2007-4 and finds that the action requested falls within the scope of PRN-2007-4.

The label submitted with the application has been stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label (and can be added by non-notification via PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact Autumn Metzger at 703-305-5314 or Metzger.autumn@epa.gov.

A handwritten signature in black ink, appearing to read "Beth Fertich", followed by the word "for" written in a smaller, cursive script.

KEEP OUT OF REACH OF CHILDREN
CAUTION

ACTIVE INGREDIENT:

Picaridin..... 10%

OTHER INGREDIENTS:.....90%

NET CONTENTS: 1-12 ounces (28-340 grams)

PRECAUTIONARY STATEMENTS

Hazards to Humans – CAUTION: Causes moderate eye irritation. Avoid contact with eyes. May cause skin reactions in rare cases. Wash thoroughly with soap and water after handling.

[Note to reviewer: Boxed format or bullets may be used in First aid section if label space permits]

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Skin: If you or your child react to this product, wash treated skin and call a poison control center or doctor for treatment advice.

PHYSICAL & CHEMICAL HAZARDS

Flammable: Contents under pressure. Do not use near heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120° F may cause bursting. Keep treated surfaces away from fire or flame until dry.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.**

Shake well before using. Hold container 6 to 8 inches from skin and spray with a slow sweeping motion. Do not apply over cuts, wounds, irritated or sunburned skin. Do not spray in enclosed areas. Use just enough repellent to cover exposed skin. Do not use under clothing. Avoid over-application of this product. Reapply every 6 hours. Frequent reapplication and saturation are unnecessary. Do not apply more than three times per day. On young children, do not apply more than twice in a day. Do not allow children to handle this product. After returning indoors, wash treated skin with soap and water. FOR MAXIMUM PROTECTION, spread evenly with hands to moisten all exposed skin.

TO APPLY TO FACE: Spray palm of hand first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. When using on children, apply to your own hands and then put it on the child.

(Will not damage fabrics, plastics, watch crystals, and painted or varnished surfaces.)

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place away from heat, sparks and open flame.

DISPOSAL: Do not puncture or incinerate!

If empty: This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the container by using the product according to the label. If recycling is not available, place in trash.

If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions.

[Information in brackets is notes to Reviewer]
(Information in parentheses is optional language)

[Note to reviewer: The STEEL recycle symbol might be used on final printed label if space allows.]

(Contains no CFCs or Other Ozone Depleting Substances. Federal Regulations Prohibit CFC Propellants in Aerosols
[or optional graphic below])
